Flying Cloud

AIRSTREAM

Looking for trip ideas? Check out America's Best Road Trips.

Flying Cloud 26RB

There’s a Flying Cloud on your horizon.

Wake up in a dream.

No matter what configuration, the Airstream Flying Cloud is a dream written in metal, wood and glass. You see it from the perfectly riveted aluminum, to the gleaming cabinetry, to the windows – which are everywhere. Whether you're lounging on one of the couches or spending a late morning in bed, you can choose between a panoramic view bathed in natural light – or draw the blinds to spend the day in cozy seclusion.

Dinette? Lounge? Bed? Sure.

AIRSTREAM
FLYING CLOUD

Find out how we're built to last.

For something so sturdy, it sure is flexible.

The Airstream Flying Cloud is our most popular, most versatile unit. With a wide range of sizes in multiple floorplans, there's a Flying Cloud out there that's "just right" for everyone. It's the perfect balance of size, capability and signature Airstream style and quality. If you can't find one that speaks to you, then you're not listening.

Choose between a queen for extra sprawl or two twins for ease of access.

Fun fact: One boot cubby saves 3000 hours of sweeping.

Get fast, even heat and perfect crusts with the convection microwave option.

Every Flying Cloud
has a silver lining.

It's Time To Live Riveted.

Airstreams are built to go places — to withstand the test of time with enduring quality, design and integrity. Since the first Airstream was riveted together in 1932, we've helped our customers explore a world of new experiences in comfort and luxury. This journey can take you anywhere, but there's only one way to get there — in an Airstream of your own.
