1994 CAMPING TRAILERS

P A L O M I N O

1994 CAMPING TRAILERS

THOROUGHBRED SERIES

Palomino's travel campers are designed to provide fuel efficient towing, ease of set-up in seconds with full height of camping comfort.

The low profile design, and light towing weight, will allow most family vehicles to trailer these units with ease.

Both the T-175 and the T-195 have been designed with your convenience in mind. The sofa pulls out to provide an extra sleeping area and an upper bunk option is available on all models.

Included on the long list of standard features are 13 inch tires, a three burner stove, radius windows, a four cubic foot refrigerator, 14" x 14" roof vent, and so much more. The T-195 includes a self contained toilet and shower for the complete amenities in camping comfort.

All of these features are offered to you at affordable prices. Take a look at the Thoroughbred Series today for the ultimate in fold down camping.

T-195

Travel Trailer comfort that sets up in seconds and tows with ease.

T-195

Travel Trailer comfort that sets up in seconds and tows with ease.

XL SERIES

Ultra-comfortable Fold-A-Wall trailers provide the comfort and feel of a travel trailer, with the towing convenience of a camping trailer.

The TXL series offers two different floor plans that provide a self contained toilet with a shower or the roomy front gaucho model.

Included as standard equipment on all models are 13-inch tires, electric brakes, four stabilizer jacks and independent suspension. Also included as standard items are window curtains, indoor/outdoor stove and a roomy wardrobe closet, plus a 14" x 14" roof vent

The sidewalls set up with ease as you raise the unit. Once the camper is raised you simply snap the walls in place.

The XL units provide the durability and security of a travel trailer yet they provide the feeling of outdoor camping.

TXL-SC

For over 19 years, Palomino has specialized in solid Fold-A-Wall construction.

MUSTANG-LB & DD

Palomino's roomiest soft sided trailer with more than 23 feet of interior length is offered in two popular floor plans.

The double dinette model provides plenty of dining space for the whole family, plus a maximum amount of sleeping area.

The long bed model offers an 80" bed, plus a large wrap around seating area with a lift-up port-a-potti storage area. Included on the Mustang's long list of standard features are 13-inch tires with independent suspension, a handy indoor/outdoor three burner stove, four stabilizer jacks, 4" deluxe cushions, and a sturdy vinyl tent with tinted windows.

With two dinettes & a kingsize bed area it's even roomy on a rainy day

FILLY-RG

STALLION & PINTO

Finally, there is a fold down that meets all your expectations. Innovative design with storage in mind. The Stallion & Pinto enter the Palomino 1994 line-up to satisfy the camping family who desires a popular floor plan that allows for extra storage space and is still very affordable.

Both models allow easy access to the front storage area from inside or outside of the trailer. The Stallion has 22 cubic feet of storage space available and the Pinto offers 18 cubic feet of storage space.

Easy access from inside or outside makes for a quick set up at your favorite campsite.

PINTO

STALLION & PINTO

Both models allow easy access to the front storage area from inside or outside of the trailer. The Stallion has 22 cubic feet of storage space available and the Pinto offers 18 cubic feet of storage space.

Easy access from inside or outside makes for a quick set up at your favorite campsite.

PINTO

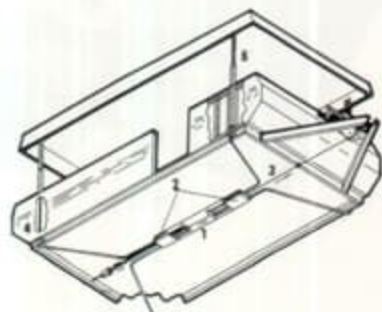

STALLION & PINTO

With two models available you can make the choice that will meet your family's camping requirements. Of course all of the standard Palomino features are included, such as our vinyl tent, large ice chest, 14" x 14" roof vent, and deluxe cushions and mattresses.

Other value features include a torsion axle, 12" tires and our laminated construction. Take a look at the Stallion series for affordable camping comfort with storage galore.

Crank-up Lift System

1. The drive system is enclosed for protection from weather and road conditions.
2. The underneath location of the system allows for easy inspection and maintenance. Grease zerks are located top and bottom of the main tube to allow yearly maintenance.
3. A single cable capable of 3,200 lbs. tensile strength rotates around the rear cable pulley and pushes the four flexible steel push rods up the lifter posts.
4. Flexible steel push rods.
5. Three stage plated lift post.

BRONCO TRUCK CAMPERS

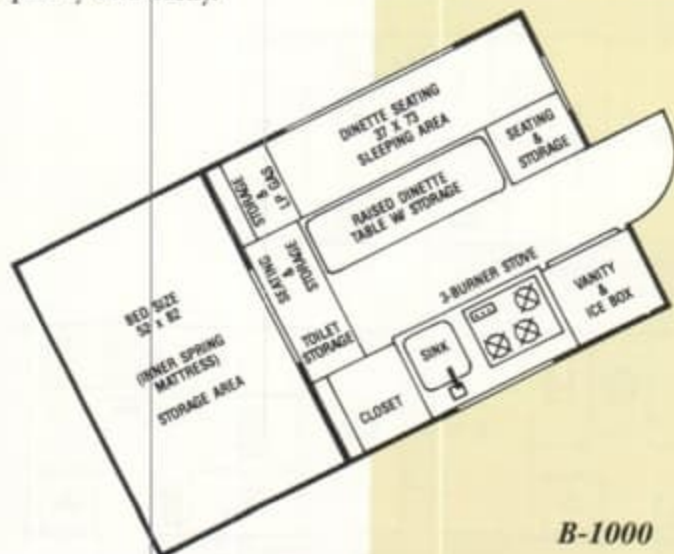

Palomino pop-up truck campers—one of the industry's lightest weight lines—are the ideal match for today's trucks. The B-500 fits many of today's mini trucks—both imported and domestic—while the B-1000 is perfectly suited for most half-ton trucks.

Both models are well-equipped for maximum comfort. Standards include a full-height entrance door, complete kitchen, port-a-potti storage, a comfortable innerspring mattress and underbed storage. Vinyl tent fabric with tinted windows, an ice box and combination sliding/jalousie glass windows are also standard equipment.

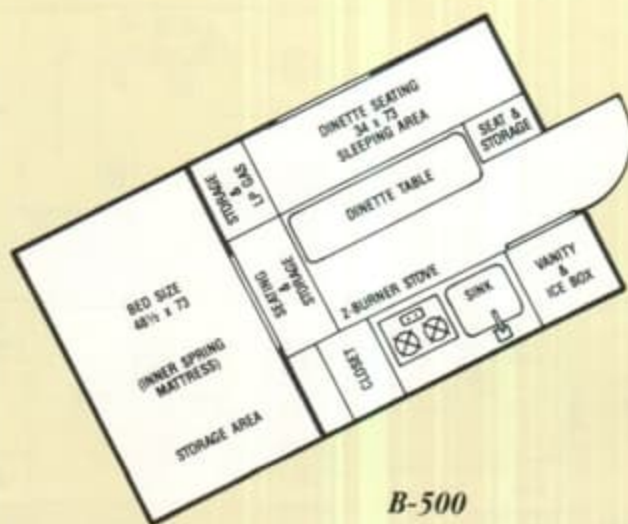

When closed, Palomino truck campers have a low profile for greater fuel efficiency. A smooth-operating crank-up system raises and lowers the roof quickly and easily.

BRONCO TRUCK CAMPERS	B-500	B-1000
WEIGHT - POUNDS	740	935
BOX LENGTH	7'4"	8'
TOTAL LENGTH	10'7"	11'10"
WHEEL WELL WIDTH	36"	48"
TOTAL HEIGHT CLOSED	4'8"	5'4"
INTERIOR HEADROOM	6'4"	6'4"
BED SIZE	45" X 75"	49" X 83"
BED SIZE DINETTE	35" X 70"	36" X 73"
ENTRANCE DOOR HEIGHT	5'6"	5'7"
