P A L O  M I N O

# X L S E R I E S

For over 21 years, Palomino has specialized in solid "Fold-A-Wall" construction.

Palomino Deluxe "Fold-A-Wall" Camping Trailers provide the comfort and feel of a Travel Trailer with the towing convenience of a Camping Trailer.

You have to see the TXL and MXL "Fold-A-Wall" to appreciate the fine workmanship.

## TXL SC

The TXL is our largest "Fold-A-Wall" model with two different floor plans available. The TXL-SC Model features a self-contained toilet and a shower with hot water system.

The TXL-FG Model offers the comfort of additional seating with a front couch area that also provides extra storage underneath. The TXL-FG can also be optioned with the hot water system.

Both models have many features included as standard equipment; such as, 13 inch tires, electric brakes, independent suspension, four stabilizer jacks, indoor/outdoor stove and much more.

If you desire the ultimate in Camping Trailers the Palomino TXL Models will meet your needs. Our MXL Models continue the Palomino tradition of the "Fold-A-Wall" concept in a smaller trailer. The MXL offers two unique floor plans with large roomy interiors, beautiful design and style throughout the trailer.

Choose from either the RG Model which offers comfortable extra seating with the rear couch or select the popular RL Model that has two dinette areas and maximum amount of sleeping capacity to accommodate as many as eight.

# , & YEARLING SERIES

YEARLING RG

#### CRANK-UP LIFT SYSTEM

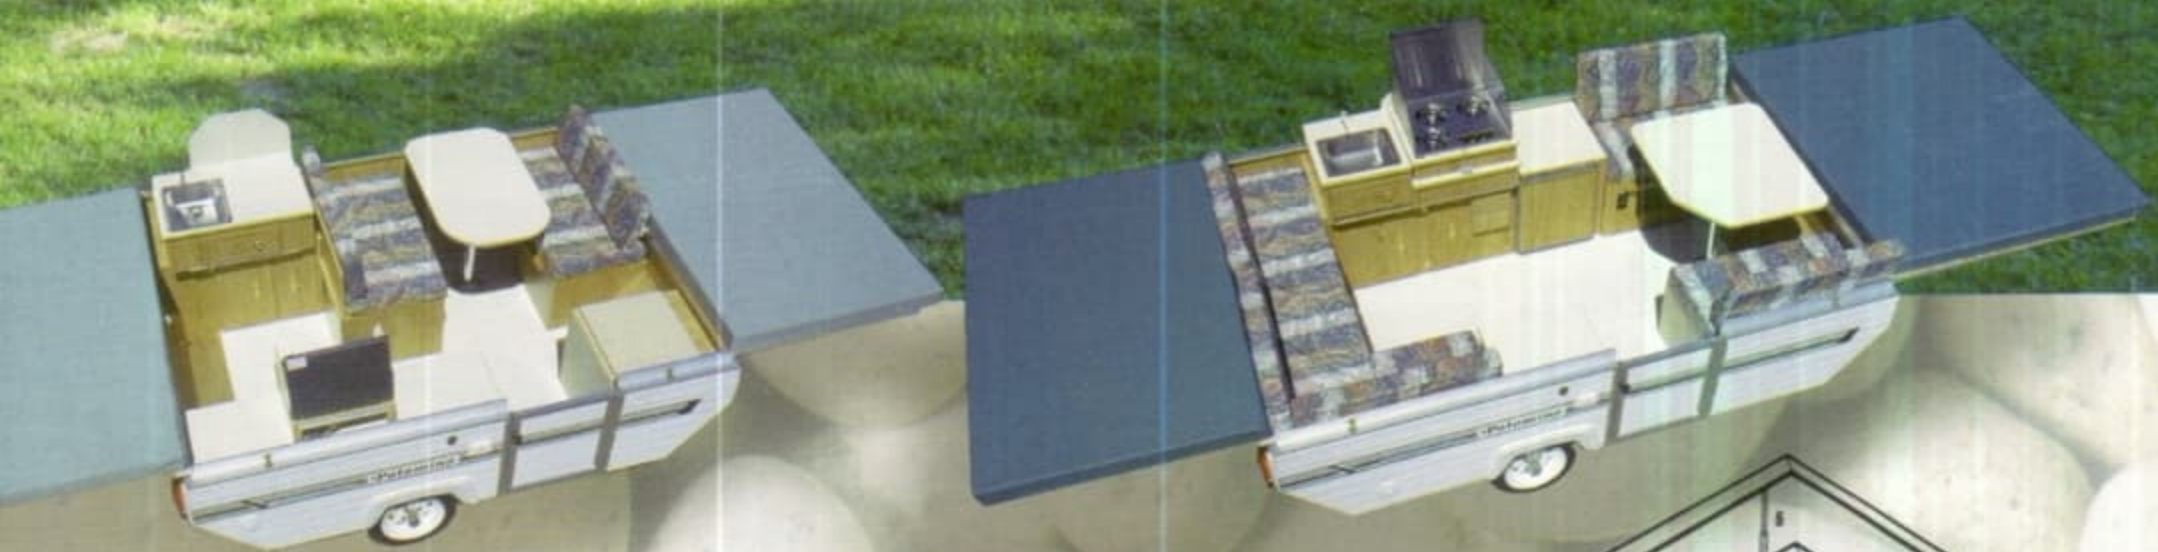

1. The drive system is enclosed for protection from weather and road conditions.
2. The underneath location of the system allows for easy inspection and maintenance. Grease zerks are located top and bottom of the main tube to allow yearly maintenance.
3. A single cable capable of 3,200 lbs. tensile strength rotates around the rear cable pulley and pushes the four flexible steel push rods up the lifter posts.
4. Flexible steel push rods.
5. Three stage plated lift post.

The right units for the first time camper and veteran campers as well. These easy towing units have an economical price and are well equipped to provide the best for camping without compromising comfort and quality.

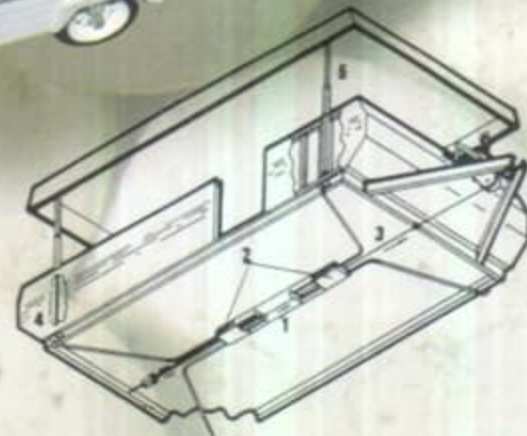

Standard features include indoor/outdoor stove, roof vent, deluxe cushions and privacy drapes, 12 inch tires with independent suspension, breathable vinyl tent with tinted windows, outside receptacle, patio light on roof for greater illumination of the camping area and so much more.

Check out the Yearling and Colt Models for quality camping without compromising your desire for comfort.
