

# The ISATA *Sport* Sedan

*272RB shown with optional ribbon paint.*

*272RB shown with twin beds and overhead oak cabinetry.*

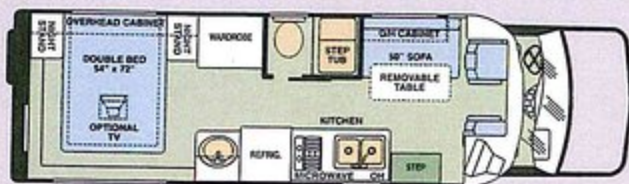

*The well planned front cab preserves maximum headroom for easy access to the front seats; integrated entertainment center in a stylish, functional unit.*

At Dynamax style and luxury are standard. The difference is freedom. People who want maneuverability are choosing the ISATA Sport Sedan. It's easier to drive and simpler to park. It surrounds you, inside and out, with elegant comfort. And when you fill up the gas tank...it takes you further...to the places you've always dreamed of.

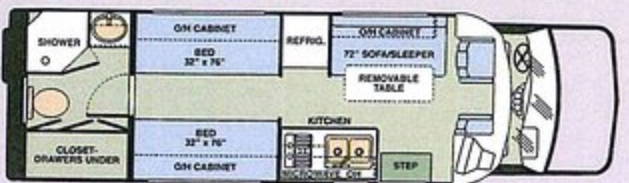

The ISATA Sport Sedan is a unique combination of technology and craftsmanship with a selection of floorplans, lengths and appointments that are second to none. If living free and easy is right for you, try one on for size.
