

Carvi-Go®

BY DYNAMAX

TRAVEL HIGHWAYS TO ADVENTURE

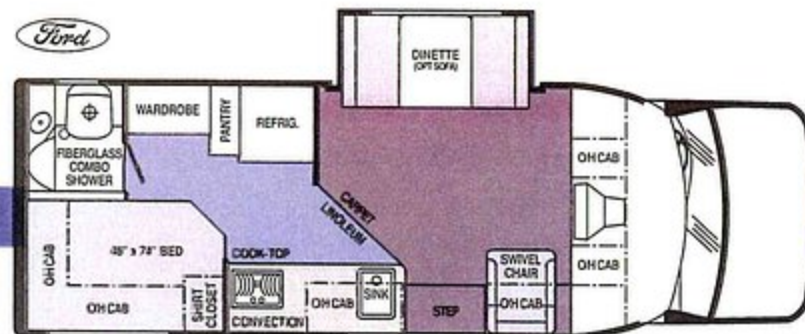

A photograph showing the interior of a motorhome. On the left is a kitchen area with a white countertop, a sink, a microwave, and wooden cabinets. In the center is a rear corner bed with a quilted coverlet and pillows. On the right is a living area with a patterned sofa and a table set with food and drinks. A window with blinds is visible on the right side.

*Carri-Go 2310 shown
in Oxford Blue with an
easy living area featuring
a rear corner bed, corner
bath and ample kitchen.
Stay cool with an
optional 13,500 BTU
air conditioner.*

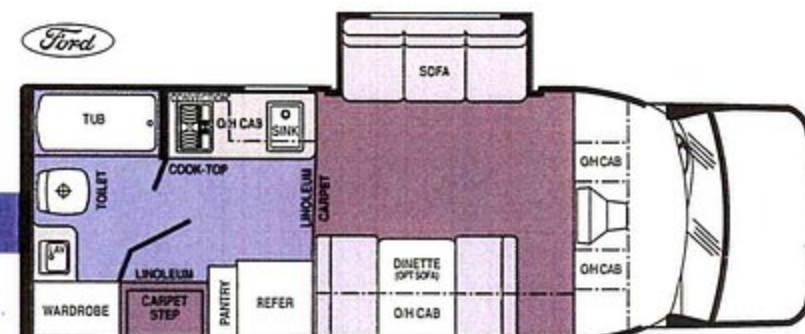

Carri-Go®

2510

2520

2510 Corner bed available with dinette and swivel chair or optional sofa.

2520 Rear bath available with dinette or optional sofa.

The spacious Carri-Go 2520's slide-out is shown with standard iridescent striping and optional 13,500 BTU roof air conditioner, lower accent paint and exterior appearance package including a painted front bumper cover, fog lights, bumper step and painted grille.

At the push of a button, increase your living space over 14 square feet. This slide-out Carri-Go 2520 is shown Santa Fe Sage with sofa bed, dinette, optional 13,500 BTU roof air conditioner and 19" color TV.

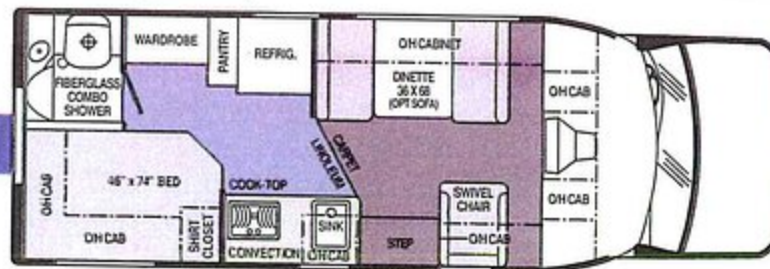

Bring friends and family along. Carri-Go 2320 shown in Magnolia Plum with twin sofa arrangement opens to a comfortable sleeping area. During the day, stow away bedding in the overhead storage compartments.
