# *Born To Be Wild.*

**Made To Move...And Fit For A King.** Our Born to be Wild interior lets you explore your "wild" side. Giraffe, zebra and leopard patterned fabrics, accent tile on backsplash and carpeting leave little doubt where you're headed in this interior – so grab your keys and go on safari. Explore the plush wall-to-wall carpeting and rich walnut finished cabinetry and trim. Excursion's Ultraleather™ upholstered furniture features specially inlaid accents and residential-like legs. Plus, there's an optional free standing dinette that includes a round, solid wood table. In the Triple and Quad slide models, this table features a leaf for expanded dining. And when you choose this option, you'll also get a better view of the wide-open spaces thanks to the large panoramic viewing windows.

**Dine. Play. Relax. Enjoy.** The Possibilities Are Endless. Feeling a little continental? Check out the Moulin Rouge. No matter where you travel, it takes you there in style. It's elegant black and cream interior is accented by an Ultraleather™ sofa, J-Lounge sofa, or optional free-standing chair and sculptured carpet set. The ultimate in comfort, you can enjoy the sight and surround sound of your favorite movie with the standard Panasonic 5-disc DVD Home Theatre coupled with the 27" Panasonic® Stereo TV... without ever leaving your living room.

From umbrella-capped fruit drinks to seafood delicacies, your Excursion™ galley is fully equipped to handle your very own private luau. It includes a Magic Chef® cooktop with optional oven, standard GE® convection microwave, Domestic® 12 cubic foot side-by-side refrigerator, and convenient single lever faucet with retractable wand.

## THE CHOICE IS YOURS

*Excursion™ offers four spacious 39-foot floor plans — three triple slide models and one quad slide model. An optional dinette table with four upholstered chairs is also available in Excursion's 38-foot floorplan. To enhance your exotic dining experience, Excursion comes with a standard overhead chandelier that accents the interior's decor.*

*While enjoying your ocean view through large dinette area windows, may we recommend a little steel drum background music? Your optional DVD and home theater entertainment center — including a standard 27" Panasonic® TV — would definitely fill the bill.*

*Excursion's luxurious cockpit is definitely a room with a view.*

**Your Oasis** – Everywhere You Go. You can almost feel the tropical breezes gently drifting through your very own seaside getaway – our Bali model makes you feel like you're staying in the Grand Hotel of the islands. It's packed with amenities, like a cozy queen size bed slide-out that opens up to your bath area with a glass-enclosed shower. And, check out the deep, dark cherry finish cabinets, palatial window treatments, color coordinated bed spread and fern patterned throw pillows – everything to set the tone for your tropical escape.

Your handsome bedroom is equally sophisticated, as the queen sized bed is accented by a luxurious bedspread with matching throw and decorator toss pillows.

The lion will sleep peacefully tonight in this beautifully appointed bedroom suite, complete with cedar lined and mirrored wardrobe, swing out 20" Panasonic® TV, queen sized bed, decorator wall hangings, and glass enclosed shower.
