THE CHILL GRILL provides fast air conditioning for those warm days.

SPACIOUS OVERHEAD STORAGE is a great place to keep books, DVD's or video tapes for your long journeys.

DELUXE BALL BEARING, FULL-EXTENSION DRAWER GUIDES on all the drawers throughout Flair are very sturdy and give you full access to the drawers.

SPACIOUS OVERHEAD STORAGE in the galley has adjustable shelves (select models) and provides plenty of space to store full-size plates and dishes.

DESIGNED FOR YOU.

You'll be right at home in Flair's well appointed galley. It's hard to believe so many conveniences of home are now at your fingertips. You'll love the easy to use pull-out baskets in the pantry for storing non-perishables, the Fan-Tastic® roof fan for ventilation, the 8 cu. ft.

Dometic® double door refrigerator for food and drink and elegant raised panel wood cabinetry. You'll also enjoy a water filter in the galley sink for fresh drinking water as you venture from place to place. You may never go home again.

FLAIR'S BEDROOM is well equipped with under-the-bed storage as well as overhead cabinets providing ample storage for extra bedding or linens. You'll also love the comfortable queen-sized innerspring mattress and night pleated shades to keep the sun out during those afternoon naps.

THE BEDROOM WARDROBE with mirrored doors gives you more than enough room for storing your clothing, and any extras you may need along the way.

A CONVENIENT COMPUTER DESK in the bedroom comes complete with phone and power jacks, giving you the ability to email friends and family during your travels.

POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a rigid metal frame. This complements the chassis to make it even stronger.

*Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

THE UTILITY COMPARTMENT provides a central place to empty your holding tanks and includes a water sprayer for quick clean up. For your convenience the compartment is lighted and all components are clearly marked.

ONAN® 4.0 kW MICRO QUIET GENERATOR minimizes campground noise and runs very quietly compared to other generators (5.5 kW standard on 33R & 34F).

THE REAR FUEL FILL is easy to fill up no matter what side of the pump you're on.

EXTERIOR EZ-STORE® COMPARTMENTS are durable, move with the slide-out and have an easy to clean fiberglass interior.

FLAIR COMES STANDARD with a 24" RCA® TV in the living room, and storage for video tapes and DVD's. (A DVD/VCR combo player is optional).

THE DRIVER'S AREA features an AM/FM radio with CD player, easy to read gauges, convenient map storage and cup holders.

THREE INTERIORS, TWO WOOD CHOICES. THE CHOICE IS YOURS.

Choose from three interior decor motifs, with color coordinated exterior graphics and two wood finishes for a total of six distinct decor choices.
