TIFFIN MOTORHOMES

'05

WHEREVER  
YOU GO, WE GO.

Whether you're traveling to the Mason-Dixon Line in Manchester, Maryland, or the car pool line in Manchester, Georgia, with a Tiffin motorhome, **every trip is a vacation.**

With this kind of quality and luxury, you'll be tempted to take your Tiffin everywhere.

## ZEPHYR COCKPIT

The QUALITY and LUXURY of the Zephyr starts right up front in the cockpit. The EASY-TO-READ GAUGES are all within easy reach of both the driver and front passenger, including the button for ONSTAR<sup>®</sup> service—

just another way to feel confident behind the wheel of a Tiffin. The Ultra leather Flexsteel® captains chairs not only provide unparalleled COMFORT on the road, but they also have integrated seat belts and can be swiveled around for ADDITIONAL SEATING in the living room.

## ZEPHYR LIVING AREA

NOB HILL

Rivaling most home living rooms, the ELEGANT LIVING AREA offers luxury and convenience at their very best, with far MORE CABINETS than those offered by other manufacturers. And each of the cabinets has a SOLID HARDWOOD door.

The BRUSHED NICKEL faucet adds to the durability and appearance of the gourmet galley that houses a convection microwave, SOLID SURFACE countertops and a side-by-side STAINLESS STEEL refrigerator.

## ZEPHYR BEDROOM

Not to be outdone by the rest of the coach, the bedroom in the Zephyr is just as opulent as the rest of the vehicle. A huge KING-SIZE bed, surrounded by meticulously crafted cabinetry and woodwork, dominates the space, while leaving PLENTY OF ROOM to move about.

A sink and vanity are strategically situated along one wall for CONVENIENCE without being a hindrance. A CEDAR-LINED WARDROBE gives you plenty of storage space for your clothes, while the mirrored doors gives the room a more SPACIOUS feel.

## ZEPHYR BATHROOM

The MOEN® accessory package in the bathroom has brushed nickel accents and the separate shower stall and toilet afford PLENTY OF PRIVACY. Along with our frames and cabinets, all fiberglass parts are manufactured locally, helping to ensure the most stringent quality control.

# WHY BUY A TIFFIN MOTORHOME?

## The Best Limited Warranty in the Business

### 10-YEAR UNITIZED CONSTRUCTION WARRANTY

THE STRUCTURAL INTEGRITY OF THE ENTIRE COACH IS GUARANTEED FOR THE NEXT 10 YEARS. THIS INCLUDES WALL SEPARATION AND INNER FRAME WEAKNESS.

### 5-YEAR “HYDRA-VAC” LAMINATION WARRANTY

WE GUARANTEE AGAINST ALL EXTERIOR FIBERGLASS DELAMINATION OR WALL SEPARATION.

We can make these guarantees, and no one else can come close to these, because we take the extra steps and make the extra investment in the building methods and materials that support these extraordinary guarantees. It's not the cheapest way to build motorhomes, but it is the best way. It's the Tiffin way.

## Service After the Sale

The feeling of freedom, of being able to go anywhere you want, is something that can't really be put into words. It's kind of like the feeling you get when buying a Tiffin. It's a freedom, too. A kind of confidence and peace of mind that you just can't get from other manufacturers. We not only stand behind every coach we sell, but we stand behind every customer as well. Because we don't want anything to detract from your unique experiences exploring the world in a Tiffin. So when you slide behind the wheel of one of our motorhomes, just look over your shoulder. There's an entire company riding right there behind you—every mile of the way.
