

MONACO[®]

DRIVING YOUR DREAM.

2006 LAPALMA[®]

MONACO®

DRIVING YOUR DREAM.

2006 LAPALMA®

DESIGNED FOR THOSE WITH THEIR HEART SET ON LUXURY, AND THEIR MIND SET ON GAS.

Welcome to the 2006 LaPalma. This remarkable gas motorhome makes no sacrifices when it comes to style and luxury. From the spaciousness of its 7-foot-high ceilings, to the craftsmanship of its woodwork with hardwood details — the LaPalma is Monaco living at its best.

While a booth dinette comes standard, you have the option of a freestanding dinette table with a wall cabinet, two beautifully styled freestanding chairs and two handy folding chairs. (Freestanding dinette required option for the 37SBT and the 37PST)

The LaPalma allows you to customize your floorplan with a wide range of impressive furniture options, including plush, durable OptimaLeather™ coverings and a fashionable Euro-recliner with an ottoman.

Throughout the coach, you'll enjoy the ambience of satin nickel decorative lighting. In addition, halogen lights are neatly mounted on the underside of the overhead cabinets in the living area.

- 1 When you need extra sleeping space for guests, just pull out the comfortable fabric **hide-a-bed sofa** (OptimaLeather™ is optional). The new style sofa comes standard with **three matching decor pillows**. (37PBD, Newport Cherry, Hampstead Lane)
- 2 In the **bedroom**, you'll enjoy the spacious **queen bed** with a **wood/fabric headboard** and an optional **pillow top mattress**. A large window in the rear wall of the coach is standard on the 37PBD and 37PCT and optional on the 35SBD and 37PST. (37PBD, Newport Cherry, Hampstead Lane)
- 3 The 37SBT features a large **wardrobe closet** with a **deluxe mirror** and a **satin nickel finish door frame**. In all of the floorplans you'll enjoy a **20" flatscreen TV** in the bedroom, as well as a **radio/CD player** with **two ceiling speakers**. (37PBD, Newport Cherry, Hampstead Lane)
- 4 The **kitchen** features impressive storage space, top-notch appliances and the contemporary styling of a **radius solid surface countertop** with an **under-mounted plexus-stone sink**. (37PBD, Newport Cherry, Hampstead Lane)

 PANAVIEW™

1-PIECE WINDSHIELD

No more black rubber seam! Our exclusive Panaview™ 1-piece windshield gives you the largest, and safest, unobstructed view of the road ahead. The wipers are discreetly mounted below your sightline, and the side pillars are more slender, for a wraparound effect.

 PANAVIEW™

1-PIECE WINDSHIELD

No more black rubber seam! Our exclusive Panaview™ 1-piece windshield gives you the largest, and safest, unobstructed view of the road ahead. The wipers are discreetly mounted below your sightline, and the side pillars are more slender, for a wraparound effect.

TRAVEL IN THE BEST STYLE OF ALL: SAFELY.

Everything in the LaPalma's cockpit is organized to give you the safest possible experiences on the road. From the steel cage construction, to the Panaview™ windshield, to the ergonomically organized switches and controls — we've thought of everything.

Whether you're driving or parked, you'll enjoy the comfort of the soft touch vinyl cockpit seats (stylish distressed OptimaLeather™ is featured in the Ralph Lauren Hampstead Lane sport decor). The pilot's seat features six-way power controls, and the co-pilot has a handy dash workstation that's perfect for a laptop computer.

To the right of the steering wheel you'll find the monitor for the rear vision system with audio and an adjustable camera. An optional 3-camera system adds two side cameras for an expanded view.

- 1 Above the cockpit you'll find the wood framed cabinets with smoked glass doors that house the entertainment center. Along with the 24" flatscreen TV, you'll enjoy an exciting optional home theater system with VCR/DVD player and surround sound speakers. The coach is also prepped for an optional digital satellite system. (37PBD, Newport Cherry, Hampstead Lane)
- 2 Our exclusive side-hinged baggage door design offers unbeatable visibility into the storage compartments and makes it easier than ever to pack and unpack the gear you stow below. The large pass-through bays are perfect for oversized items, and the rotocast boxes are easy to wash down. (37PBD, Newport Cherry, Hampstead Lane)

A SmartStructure II adapts the principles of our diesel chassis technology for use with a gas chassis. While other motorhomes use outriggers to hang the walls and storage compartments, our exclusive truss system is integrated with the chassis rails to provide a solid platform. The floor and storage bays are all one piece, and the truss system works with the chassis rails to channel weight toward the center of the motorhome. Greater strength. Better weight distribution. A solid foundation. That's SmartStructure II.

Shown here is the Workhorse chassis' Vortec™ 8100, 8.1L V8 engine. It features 340 HP and 455 lbs./ft. torque. The Ford chassis comes standard with a 6.8L 3-valve V-10 engine with 362 HP and 457 lbs./ft torque.

SMARTSTRUCTURE II

ROOF CONSTRUCTION: (top to bottom)

- One-piece peaked fiberglass roof
- Luau backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

SIDEWALL CONSTRUCTION: (left to right)

- High-gloss gel coat fiberglass
- Interlocking aluminum C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

**THE MONACO DIFFERENCE:
GREATER STRENGTH. LIGHTER WEIGHT.
UNBEATABLE INSULATION.**

The LaPalma features Monaco Coach's exclusive Alumaframe[®] Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe[®] to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

SLIDE-OUT CONSTRUCTION:

When you get a Monaco Coach, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

FLOOR CONSTRUCTION: (top to bottom)

- Structurwood™
- Blue foam insulation
- 1-1/2" aluminum tube
- Three-ply poly underbelly

You'll enjoy a full package of high quality awnings, including an optional Eclipse automatic patio awning.

When you think Monaco, you think impeccable styling. And 2006 is no exception. No matter where your tastes lie — from traditional to contemporary, conservative to bold — we give you more ways to turn your motorhome into your dream home. The LaPalma is proud to offer the Hampstead Lane Sport Decor by Ralph Lauren.

Note: Colors depicted are a reasonable representation though they may not be an exact match of the actual colors due to variances in processing and production. See your dealer for actual fabric and paint chip samples.

Better Stain Protection

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

* Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

ONYX II

RALPH LAUREN HAMPSTEAD LANE SPORT

THERE'S STRENGTH IN OUR NUMBERS.

As you consider your RV purchase, there's one thing we'd like you to keep in mind: Nobody does customer service like Monaco. Period. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you'll be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

WARRANTIES

12 month/24,000 mile
basic limited warranty

5 year/50,000 mile
limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 year/36,000 mile
limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.

1 Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

2 All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

3 Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

- 1 Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.
- 2 All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.
- 3 Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

BODY CONSTRUCTION

Alumaframe® Superstructure
 Steel Cage Cockpit Construction
 Peaked One-Piece Fiberglass Roof with Fiberglass Insulation
 Smooth Gel Coat Fiberglass Exterior Walls
 Front and Rear Molded Fiberglass Caps
 One-Piece Front Windshield
 Interior Height 84"
 Aluminum Framed Floor on Steel Trusses
