

Decadence now comes on four wheels.

Wherever you go, we go. And that's saying a lot when you're talking about the Phaeton. As our most affordable diesel, it provides loads of authoritative torque, along with the smooth, relaxing ride that's been long associated with Tiffin motorhomes. From innovative floorplans to the standard Ultra Leather Flexsteel® seats in the cockpit, the numerous paint options to the additional vanity in the bathroom, the Phaeton's definitely a step up from the norm.

Ahhh, the great indoors. Who ever said you're supposed to spend vacations outside? With a breathtaking seven-foot high ceiling, the new Expand-an-Island that allows you to expand your counter space while simultaneously adding storage room, nickel hardware, convection microwave, roomy refrigerator with hardwood panels, and an optional tile aisle spanning from the cockpit to the galley, no one's going to blame you for making yourself at home in the living area. After all, you really don't have a choice.

COCKPIT

Please resist the urge to refer to
YOURSELF AS "CAPTAIN."

Nothing like a throne to make a room feel luxurious. Planted firmly atop the sturdy chassis sits both a driver and passenger's Ultra Leather Flexsteel® seat. This ensures anyone sitting in the cockpit a smooth, seamless journey. Also, the angled driver's window and one-piece windshield offer a clear, unobstructed view of the road. Serving as your trip's orchestra is an optional Sirius® satellite-ready radio, Sony® AM/FM stereo with CD player and concealed surround sound speakers.

Tiffin owners have spoken and we've listened. The Phaeton comes standard with full body paint and innovative floorplans with multiple slides, giving it a roomier and more luxurious feel.

It's functional and aesthetically pleasing. But most importantly, the Phaeton bedroom is a place where you can get some serious shut-eye. Whether it's the optional king size bed with inner spring mattress, standard Sony® flat screen TV, spacious mirrored closets, multiple overhead storage cabinets, or the chest of drawers with built-in laundry hamper, you'll feel like you never left home. Or like you left and went some place nicer.

**Details, details, details.
YES, THEY'RE THAT IMPORTANT.**

Knowing it's the details that truly make a motorhome, the Phaeton's bathroom comes standard with a rain glass door, skylight, solid surface vanity top and bowl, an extra vanity, and Tiffin manufactured tubs, showers, frames, and cabinets.
