Travel Trailers and Fifth Wheels

Travel Trailers and Fifth Wheels

Experience the great outdoors like never before in your K-Z Durango travel trailer or fifth wheel. Safety and convenience are key features built into this unit, so you can relax and enjoy your vacation. Whether you're heading down state or cross country, the Durango will take you there in style... together.

Experience the great outdoors like never before in your K-Z Durango travel trailer or fifth wheel. Safety and convenience are key features built into this unit, so you can relax and enjoy your vacation. Whether you're heading down state or cross country, the Durango will take you there in style... together.

With an 8-cubic-foot refrigerator, a three-burner range, oven and built-in microwave, you may never go home. This convenient kitchen has just what you need to cook a gourmet dinner or whip together sandwiches before the family heads out for a day of biking. Fluorescent lighting above the kitchen sink provides plenty of light. There's even a nightlight, so you can find your way to the fridge for a late night snack.

With an 8-cubic-foot refrigerator, a three-burner range, oven and built-in microwave, you may never go home. This convenient kitchen has just what you need to cook a gourmet dinner or whip together sandwiches before the family heads out for a day of biking. Fluorescent lighting above the kitchen sink provides plenty of light. There's even a nightlight, so you can find your way to the fridge for a late night snack.

After a long day of fishing or sightseeing, the comfort of your sofa might be what you need. Cozy up next to the fireplace or have a family movie night in the spacious living area. (fireplace optional)

The lush decor of your master suite features a color-coordinated bedspread on your queen-sized bed, a decorative border and window treatments. A full closet with sliding mirrored doors makes your space feel twice as big.

A handy counter and built-in oak cabinetry gives you room for all your personal items. A TV niche is the perfect place to slip in a color TV.

The spacious bath area features a shower stall, sink and mirrored medicine chest.

Because it Rains!

Here at K-Z we know a little bit about camping, actually we know a lot about camping. One thing you can count on, it will rain. We randomly test our K-Z campers from every product line in our state of the art rain booth. Our rain comes from every direction so that you can rest assured your K-Z camper will not leak. The rain may spoil your fun outside, but it won't inside.

- 13,500 BTU A/C

- · 2nd Bath Option on 325BH
- · Remote Control 5th Wheel Power Jacks

2X2 WARRANTY — The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warrantied to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at http://www.kz-rv.com.

VEHICLE LOADING — Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) - The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-

GROSS VEHICLE WEIGHT RATING (GVWR) — The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC.

NET CARRYING CAPACITY (NCC) — The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and fowing instructions. All weights may vary.

Awarded to K-Z six years in a row.

Dealer:

- Stand Up Profile (285 and up)
- 16" Tires
- Solid Wall with Swing Door on 325BH
- 2nd Bath Option on 325BH
- · Remote Control 5th Wheel Power Jacks

2X2 WARRANTY – The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warrantied to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at http://www.kz-rv.com.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealerinstalled accessories.

GROSS VEHICLE WEIGHT RATING (GVWR) – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC. **NET CARRYING CAPACITY (NCC)** – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.

Awarded to K-Z six years in a row.
