HOLIDAY RAMBLER[®]

This is Living[®]

This is Living®

38PBD | SPRING MIST | NEWPORT CHERRY

THE PEOPLE'S CHOICE. YEAR AFTER YEAR.

If you've never experienced Holiday Rambler's Neptune, this should be the year. The 2008 model has more of what makes Neptune one of the most popular RVs on the road. We've introduced four all-new floorplans, each with its own attitude and advantages. Looking for more room? Then the 39PBT might be right for you. It has a long, roadside easy-bed sofa and a curbside loveseat, while the 37PDQ features a stylish, fashionable leatherette swivel rocker barrel chair. All the 2008 floorplans come with two LCD televisions, a big 26-inch

model in the cockpit overhead and a 20-inch TV in the bedroom. Other new standard features include dinette and nightstand countertops and a central water filtration system located in the service bay. Every floorplan offers great options, including a washer/dryer, home theater surround sound system and central vacuum system. When you consider everything it offers, then look at its affordable price, it's easy to see why so many people trust Neptune, year after year.

1-PIECE WINDSHIELD

38PBD | SPRING MIST | NEWPORT CHERRY

SOMETHING FOR EVERYONE.

So what are you looking for in your dream RV? A fabulous kitchen? Neptune's got it. Stunning cabinetry with raised panel doors and new oil rubbed bronze hardware. Full-size appliances with the option of stainless steel. And, new for 2008, beautifully durable laminated tile flooring. Or, maybe you like your privacy. Neptune scores there as well, with a sparkling bath and comfortable bedroom with a queen-size bed and optional ceiling fan. If the engine is your thing, get a load of the powerful Cummins® 325 HP engine with

an Allison® 2500 MH 6-speed transmission. All that power is contrasted with the comfort of the cockpit, complete with recliner seats, an automotive dash and plenty of options — like a 3-camera rear vision system. And finally, if what you're looking for is room for all your stuff, Neptune has plenty of space with pass-through storage compartments with optional slide-out trays. So whatever you're looking for, Neptune has it — with plenty of style to spare.

MAKE IT YOUR OWN.

While Neptune may be one of the most popular RVs on the road, you can make it your own by selecting the floorplan, color and decor that best match your style. Stunning exterior graphics in your choice of three color schemes coordinate perfectly with sophisticated decor options. Once you decide which is the right look for you, pair it with either of our wood finishes — a light, sophisticated Champagne Select or deep, rich Newport Cherry.

ASSISTANCE

SALES • TECH • ROADSIDE

WE'RE HERE. ANYTIME, EVERY TIME.

- Reach us anytime — literally — via our live customer support line.
- Drive in to one of our 350 Service Centers.
- Enjoy the first year free when you enroll in our Owner Advantage Roadside Assistance Program.
- See where it all begins with a tour of one of our facilities in Indiana or Oregon. Call 1-800-650-7337 or 1-800-634-0855 to find out more.

Alumaframe®

Aluminum
(Butt-Welded)

Alumaframe®
(C-Channel)

Thanks to our Alumaframe® Superstructure, your Holiday Rambler coach is built to take on anything the road can dish out. We revolutionized the industry by replacing outdated tubular aluminum construction with our exclusive system of aluminum C-Channel crossmembers. These run the full length of the coach, with double-welded intersections for superior strength. This makes your Holiday Rambler lighter and sturdier than other coaches and gives you reliability you can count on down the road.

- 1 The Neptune features a rear-mounted aluminum radiator with stacked aluminum charged air cooler, for increased cooling capacity.
- 2 A 7,000 lb. hitch receiver gives the coach powerful towing capacity.
- 3 Dual fuel fills provide the convenience of filling the fuel tank from either side of the coach.
- 4 A larger 34" spacing between the frame rails offers greater side-to-side stability.

ROADMASTER RAIL RR4R CHASSIS

The 2008 Neptune owes its remarkable performance to the Roadmaster Raised Rail RR4R Series chassis. You'll marvel at the seamless ride and handling that's only possible in a chassis that's designed exclusively for a luxury motorcoach and custom-built to the exact specifications of each floorplan. We invite you to take a few minutes and discover all the ways Roadmaster offers you the very best in safety, reliability, comfort and convenience.

9-LAYER ROOF (top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

5 The Roadmaster chassis provides for full pass-through storage spaces, accommodating larger items with ease.

6 Cushion Air Glide Suspension provides a smoother ride with excellent handling and cornering.

7 Steel cage cockpit construction offers added safety.

8 The full-air anti-lock braking system (ABS) maintains traction and steering when braking on slick surfaces.

9 Heavy-duty steel undercarriage and firewall for unsurpassed safety, strength and durability.

10 Master the highways and byways with Neptune's rugged Cummins® ISB 325 HP engine with 610 lbs./ft. of torque and an Allison® 2500 MH 6-speed World Transmission. The new electronic shift pad offers added convenience.

SLIDE-OUT CONSTRUCTION

When you purchase a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

5-LAYER EXTERIOR WALL (left to right)

- Smooth gel coat fiberglass is standard
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

4-LAYER FLOOR (top to bottom)

- Structurwood™
- Blue foam insulation
- 1-1/2" aluminum tube
- Three-ply poly underbelly

BODY CONSTRUCTION: FEATURES

- Alumaframe® Superstructure
- Steel Cage Cockpit Construction

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.
