Scepter

ENJOY THE VIEW.

So much to see and no better way to see it. Introducing the 2009 Scepter. This year we've combined more power and luxury than ever before. Throughout the coach you'll find beautiful gloss finished cabinetry and gleaming polished solid surface countertops. Ultraleather™ seats highlight the cockpit, and behind the wheel you'll find everything you need to command the Scepter's new Cummins® ISL 425 HP engine. And when you're ready for views outside the coach, nothing beats the enormous Panaview™ 1-piece windshield.

BRIGHTER DAYS. SWEETER DREAMS.

The Scepter is all about having things on your terms. From your morning coffee in your favorite mug to a good night's sleep in your own bed. Spacious cabinet storage lets you stock the kitchen with all your essentials, and top-of-the line appliances make every meal a breeze. You'll enjoy the ultimate convenience of the Scepter's legless solid surface dinette

with stylish upholstered chairs. In the bedroom an oversized wardrobe helps keep things neat and tidy, and both the galley and bath feature a decorative tile backsplash. A king bed comes standard on the 42-foot models, and on all models, you have the option of a Select Comfort air mattress, allowing you to set the right level of firmness for you.

THE ROADMASTER DIFFERENCE

Turn the key of the 2009 Scepter and prepare to experience the best-in-class performance of the Roadmaster chassis. Roadmaster is the only chassis manufacturer with a 100 percent commitment to only producing chassis for luxury motorhomes. In fact, every Roadmaster chassis is custom built for the exact model and floorplan. That means you'll enjoy a smoother ride, superior front-to-rear balance and unbeatable strength and reliability. We encourage you to take a few minutes to learn more about the many features that put Roadmaster in a class by itself.

DISTINGUISHING FEATURES.

With bold new graphics and deluxe full-body paint, the Scepter stands apart from the crowd. From the high-quality awning package to the polished aluminum wheels to the full-length Holiday Rambler mud flap, every detail helps create a lasting impression. As you can see below, a full pass-through slide-out tray and side-hinged baggage doors eliminate the hassles of retrieving items from the storage bays.

RR10S Series TAG AXLE

(found on 42' floorplans) The tag axle lifts for added maneuverability in tight spots. It's just one more great feature from Holiday Rambler that adds to your coach's overall performance and most importantly, your safety.

5-LAYER LAMINATED GEL COAT FIBERGLASS SIDEWALLS

- (left to right)
- Wallpaper
 - 1/8" luaun
 - 1-1/2" x 1-1/2" square tubular aluminum frame
 - High-performance thermal insulation
 - High-gloss gel coat fiberglass exterior

CUMMINS® ISL 425

For 2009, the Scepter boasts a powerful new standard engine — the Cummins® ISL 425 HP with 1,200 torque. One word says it all. Vroom.

ROADMASTER RR10S—SERIES CHASSIS AVAILABLE ON THE 42DSQ, 42PDQ, 42KFQ
ROADMASTER RR8S—SERIES CHASSIS AVAILABLE ON THE 38PDQ, 40QDP

- 1** Equipped with a steel firewall and steel stepwell for added safety.
- 2** Three monitored leveling sensors (two in the rear, one in the front) continually adjust the air pressure within each air bag to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads.
- 3** Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-Lock Braking System (ABS), with front disc brakes and rear drum brakes, gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.
- 4** Our exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- 5** Frame rails are constructed of 3-1/2" by 6-1/4" by 3/8" 100,000 PSI steel for greater strength; a side-mounted aluminum radiator and intercooler reduce weight, won't rust, and deliver better heat transfer than steel cooling components.

- 6** The Cushion Air Glide suspension features 10 gas-charged shocks and 10 air bags, 8 of which are outboard mounted (RR10S). The RR8S-Series chassis features 8 gas-charged shocks and 8 outboard-mounted air bags.
- 7** Goodyear tires 295/80R/22.5
- 8** Allison® 3000 MH 6-speed World Transmission with electronic shifter. Our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals for the Allison® transmission.
- 9** Cummins® ISL 425 HP diesel engine.
- 10** A 10,000 lb. tow hitch rating is the highest in its class. Prewired for supplemental braking system that works with your tow vehicle.

6-LAYER FLOORING

- (top to bottom)
- Carpet pad and carpeting or tile
 - Structurwood™ for added reliability
 - High-performance thermal insulation
 - 1-1/2" x 1-1/2" square tubular frame
 - 1/8" luaun
 - Waterproof Darco underbelly provides moisture barrier

9-LAYER MOLDED FIBERGLASS ALL-SEASON FOAM INSULATED ROOF

- (top to bottom)
- One-piece 1/4" fiberglass roof is crowned for easy water runoff
 - Luaun backing
 - 2-1/2" thick tapered bead foam insulation
 - 1-1/2" x 3" aluminum I-beam superstructure on 16" centers filled with 3" fiberglass insulation
 - Vapor barrier
 - Structure foam provides added thermal barrier
 - 1/2" bead foam insulation
 - Foam padding for extra insulation
 - Easy-to-clean padded vinyl ceiling

COLORS AND PATTERNS IN PERFECT HARMONY.

The 2009 Scepter makes a bold statement wherever you go with new, deluxe full-body paint graphics. Whichever color you choose, you'll marvel at the luxurious fabrics and beautifully coordinated

details. We also call your attention to the stunning gloss finished cabinetry selections — each with stylish satin nickel hardware. Put it all together and you've created a masterpiece all your own.

Fuel Tank	130	130	130	130	130

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

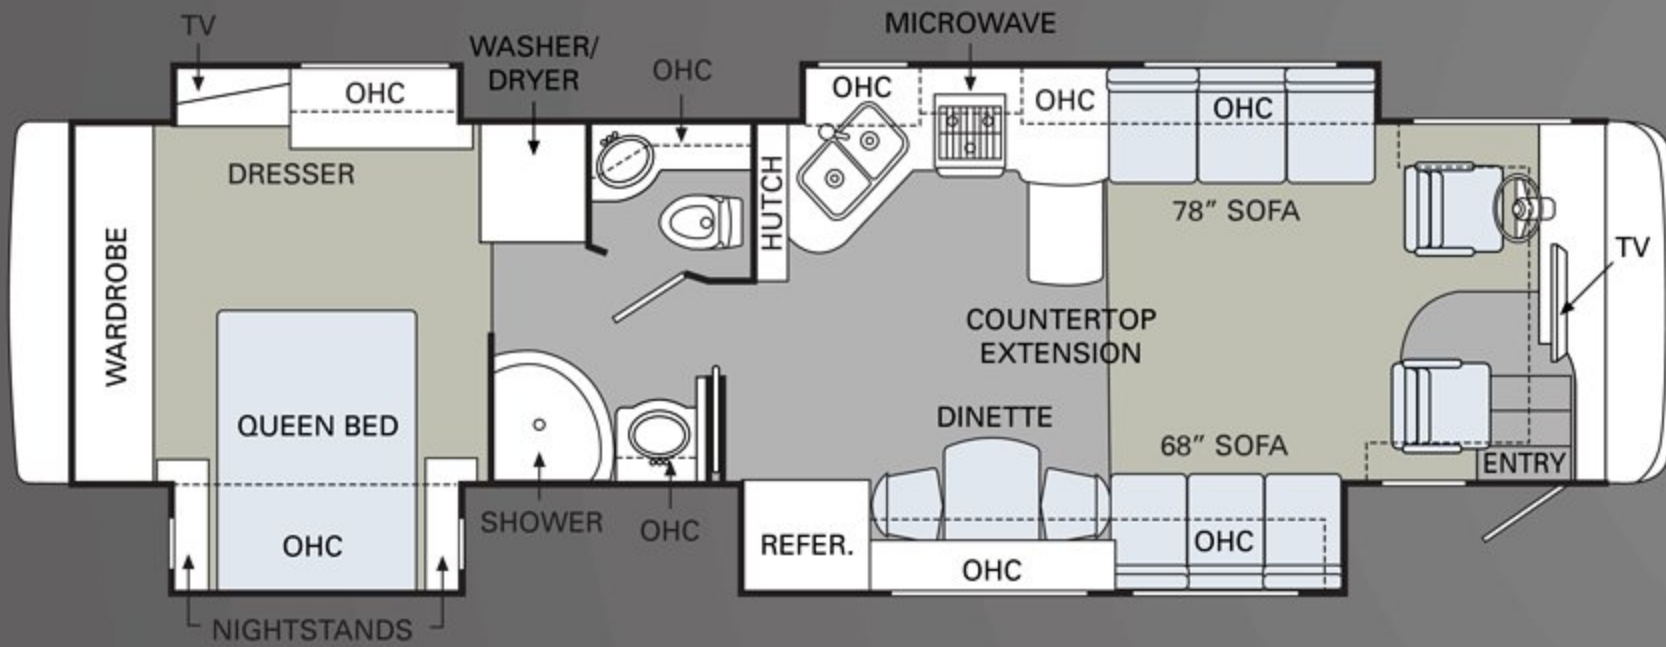

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

HOLIDAY RAMBLER®

This is Living®

BEING DIFFERENT MAKES
ALL THE DIFFERENCE.

Take a closer look, and you'll discover that Holiday Rambler, a brand of Monaco Coach Corporation, gives you more industry "bests" than any other RV manufacturer. Like the incomparable ride and handling of the Roadmaster Chassis. The convenience of our 350 service centers. The peace of mind of 24/7 roadside assistance. The value of Monaco Financial Services. And the online support of holidayrambler.com. At Holiday Rambler, we've built our reputation by listening to you — and answering to you. And that's the difference that's made us the best.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/50,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.
