

HOLIDAY RAMBLER®
This is Living®

Traveler

SPRINTING AHEAD.

Introducing the right RV at the right time. The all-new Traveler sprinter from Holiday Rambler. This exciting new model is a great place to start for families or empty-nesters who are ready to see everything and do everything — without breaking the bank. Traveler's living area is loaded with great features and stylish comforts, including a spacious booth dinette or optional sofa bed, halogen lighting, cherry finished cabinets and decorative slide-out fascia. Compare Traveler with others in its class, and you'll find more high-quality details for a better experience wherever you go. And of course, there's one standard feature that puts Traveler — and you — miles ahead of the pack. Unbeatable fuel economy. So turn your getaways into sprint-aways. With the all-new Traveler from Holiday Rambler.

STRETCH OUT.

Traveler's spacious floorplan offers everything you need for a good night's sleep. Beds are located in the rear of the RV and in the front overhead area, with a hinged mattress on gas struts, an adjustable reading light and a privacy curtain. The bathroom features a molded ABS shower with a flexible shower head and a vanity with an easy-to-clean stainless steel sink. You'll also have plenty of storage space, thanks to a roomy wardrobe closet, overhead cabinets and under-bed storage, shown below.

EASY DRIVING. EASY LIVING.

With its turbo diesel Mercedes-Benz 3.0 L 6-cylinder engine, Traveler is fun to drive and easy to maneuver. Upgrade your experience with optional Ultraleather™ bucket seats, rear vision and an AM/FM/CD/WB/Satellite stereo with an iPod connection, shown below. Traveler also features a 19" LCD TV and a home entertainment center with a DVD player.

The galley, shown right, is well-organized with numerous conveniences, including a radiused countertop, a 3-burner cooktop, a microwave convection oven and a 6 cu. ft. refrigerator. The stainless steel sink features a high-rise, dual control satin nickel faucet.

As you can see below, right, Traveler offers roomy storage bays with side-hinged aluminum doors. For natural lighting, you have the option of a roof skylight with a shade and garnish.

COLORS AND PATTERNS IN PERFECT HARMONY.

Leave it to Holiday Rambler to give you the most enticing choices of beautifully coordinated decors. Traveler is available in Satinwood, Moonstone or Sunlit Bronze — all of which are perfectly complemented by the attractive Sienna Cherry cabinet finish.

BETTER
STAIN
PROTECTION

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

LP Tank ***	18	18

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

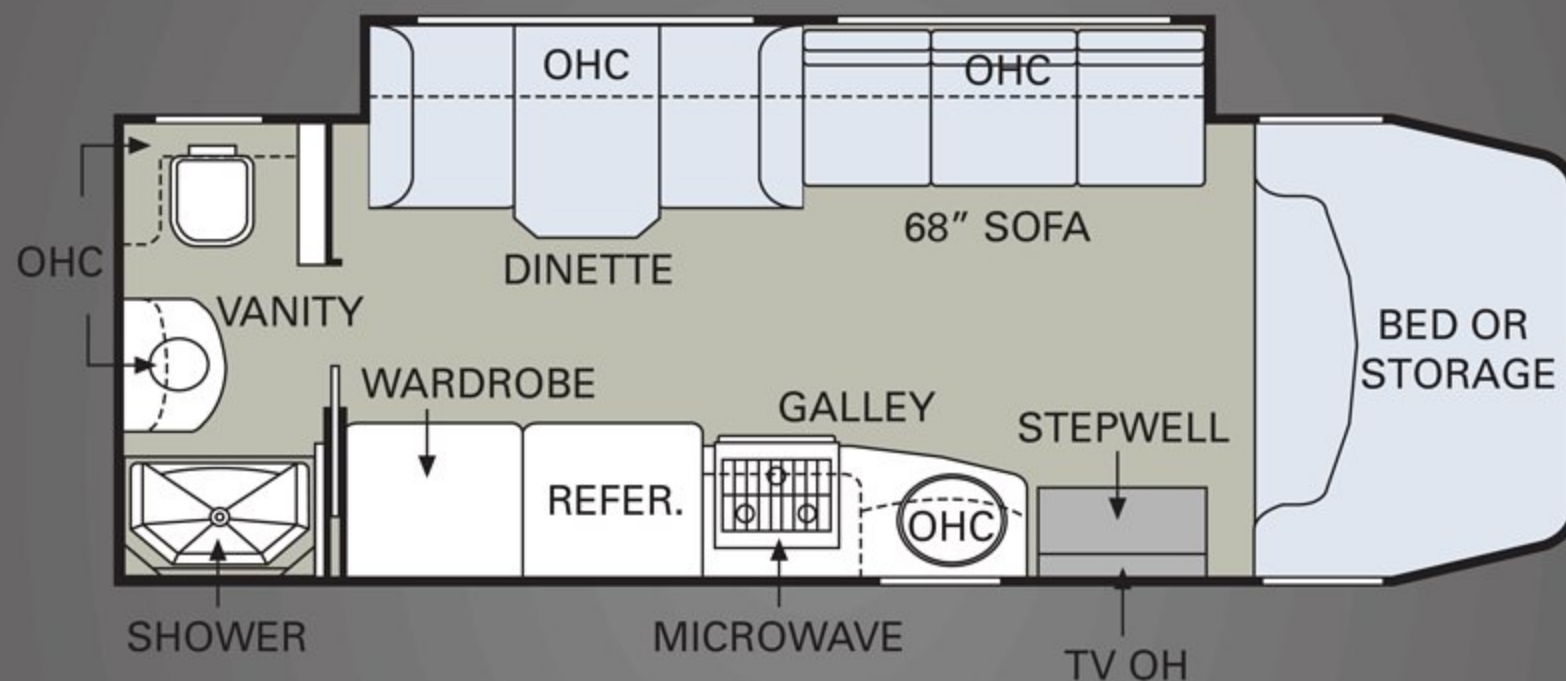

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

HOLIDAY RAMBLER®

This is Living®

BEING DIFFERENT MAKES ALL THE DIFFERENCE.

Take a closer look, and you'll discover that Holiday Rambler, a brand of Monaco Coach Corporation, gives you more industry "bests" than any other RV manufacturer. Like the incomparable ride and handling of the Roadmaster Chassis. The convenience of our 350 service centers. The peace of mind of 24/7 roadside assistance. The value of Monaco Financial Services. And the online support of holidayrambler.com. At Holiday Rambler, we've built our reputation by listening to you — and answering to you. And that's the difference that's made us the best.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/50,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.
