FREE FLIGHT

Leisure
Travel Vans Ltd.

Feel free to invite your company in. There is room for everyone. The rear dining/sleeping area comfortably seats four for a great evening of dining and entertainment.

Function + Style = Free Flight

The Free Flight is what convenient, comfortable travelling is all about.

The Free Flight offers you all the amenities and comforts that you will need on your journey, whether it be while exploring the open country or the inner-city. This compact, standard body van measures in at just over 20 feet long, giving you the maneuverability you desire. Smooth curved European-styled interior cabinetry, a fully enclosed bathroom and shower area and industry leading storage make the Free Flight the best in its class. So go ahead and explore. But beware, once you discover the freedom and the excitement that the Free Flight brings, your vacation may need to be extended.

Below: The Free Flight is engulfed in great looking cabinetry surrounded by brand name appliances.

Right: The Free Flight boasts an amazing 6'2 1/2" of interior height, more than you will find in most Class B motorhomes under 21'.

FREE FLIGHT

Don't leave anything at home.

Industry Leading Storage.

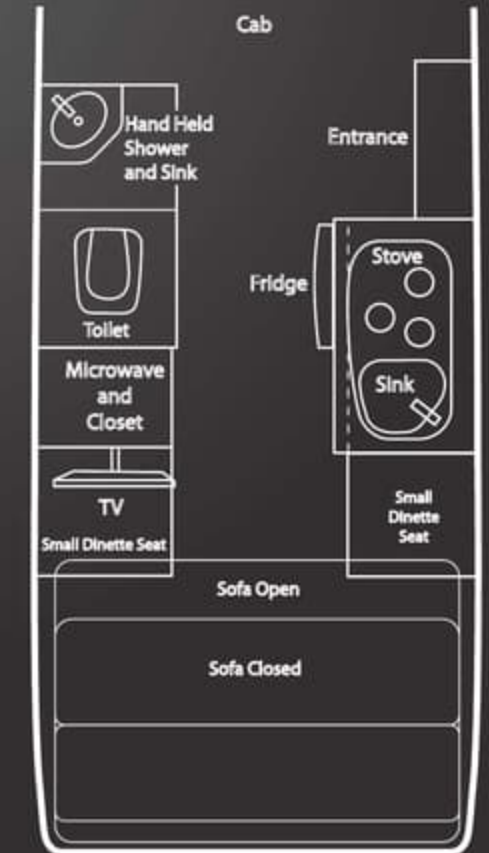

Everywhere you look, thoughtful planning is evident in the ample storage locations. There are no wasted areas. Designed for substantial overhead storage are numerous locking, latched cupboards with curved European-style cabinet doors. In addition, the Free Flight also boasts a large over-the-cab storage area.

The galley is packed with features including a microwave, refrigerator and glass top stove and sink combination, which makes efficient use of additional space for food preparation.

► Floorplan

The Free Flight Class B motorhome is equipped with everything RV'ers would ever need for a worry free travelling experience.
