Reach for Your Dreams

ENTEGR A
COACH®

MEET THE ASPIRE.

Chances are you're an experienced RVer. You know the RV lifestyle and heartily embrace it. Odds are you've always wanted to own a diesel-pusher, too. Wait no longer. Introducing Aspire, a new Class A motorhome by Entegra Coach. While this handsome coach may be the best-priced coach of the three luxury motorhome styles we proudly build, the Aspire diesel will be everything you've been dreaming of.

You'll have satin nickel hardware and DuPont Corian® countertops throughout. In the bath, you'll find a one-piece fiberglass, walk-in radius shower-surround with seat, porcelain tiled floor and even a tinted skylight.

In the kitchen, Amish handcrafted solid hardwoods (shown in Burnished Glazed Maple), an Amana® convection microwave with recessed range top and a four-door Norcold® refrigerator to match the rich cabinetry... Who could wish for more?

DREAMS BECOME REALITY

1. Ultra-Vision™ wrap around one-piece windshield
2. X-Bridge™ frames engineered into the chassis
3. Aluma-Tru™ Superstructure construction on 16" centers
4. Deluxe full-body paint package
5. Extra large basement storage
6. Side-hinged baggage doors
7. Slideout storage tray (optional)
8. Frameless tinted dual pane safety-glass windows
9. Flush mounted slideout rooms
10. Rear-molded fiberglass cap with high-mounted integrated air intake
11. Porcelain tile with 4" inlays throughout
12. Steel tubular floor joists
13. Wood truss floor risers
14. Floor and underbelly fiberglass insulation (R-14)

15. 5/8" tongue and groove plywood floor decking
16. 1/2" foam insulation laminated to sidewall
17. Reflective Flexfoil™ insulation on all 6 sides (optional)
18. Sidewall fiberglass insulation (R-10)
19. Luan board
20. Hi-gloss gel-coat fiberglass exterior
21. Front molded fiberglass cap
22. Welded crowned aluminum truss rafters 16" on center
23. Roof fiberglass insulation (R-19)
24. 3/8" plywood roof decking
25. Fiberglass roof
26. (2) 15,000-BTU low-profile roof A/C with heat pumps and drain tubes
27. Vinyl padded ceiling
28. Entry door with air seal
29. Daytime running lights
30. Outside generator slideout tray

Optional Multiplex™ coach switching puts the control of living area, porch and security lighting at your fingertips.

Outside, a convenient slide-out tray stores the 8.0 KW Onan® diesel generator and glides smoothly in and out for easy access.

The Aspire rests on a Freightliner® XCR or XCR tag axle chassis with a Cummins® ISL 400 HP electronic engine featuring an Allison® 3000 MH six-speed transmission and electronic shifter.

Exclusive to Entegra Coach products, X-Bridge™ frames are engineered into the Aspire chassis for superior support and stabilization.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the unloaded vehicle weight plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

Gross Axle Weight Rating (GAWR): The maximum allowable weight each axle assembly is designed to carry, as measured at the tires, therefore including the weight of the axle assembly itself.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor if you have questions. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek our professional instruction. Entegra Coach affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

STANDARDS & OPTIONS

CONSTRUCTION HIGHLIGHTS

2-3/4" welded tubular-aluminum sidewall construction
2" x 4" floor trusses
3M® front protective film mask
4-1/2" arched aluminum truss roof (R-19)
5/8" tongue-and-groove plywood main floor decking
Aluma-Tru™ Superstructure construction on 16" centers
Cabinetry crafted with screwed hardwood stile construction
Deluxe hidden cabinet hinges
Electric-powered slideout
Enclosed, insulated and heated floor and underbelly (R-14)
Flush-mounted slideout rooms
Fully-decked roof with 3/8" plywood
Insulation package, floor (R-14), roof (R-19), sidewalls (R-10)
One-piece fiberglass roof
Sidewalls bolted to frame
Smooth high-gloss gel-coat fiberglass exterior walls
X-Bridge™ frames engineered into the chassis

CHASSIS, ENGINE & SUSPENSION

2 chassis batteries
4.63 rear axle ratio
55-degree turning radius
100-gal. fuel tank (dual fill)
170-amp alternator
1,000-watt in-block engine heater
10,000-lb. hitch with 7-pin plug
50,000 PSI frame rail
Allison® 3000 MH 6-speed shift pad electronic transmission
All-wheel ABS brakes
Automatic heated moisture ejectors
Bendix® Air Disc front brakes
Cummins® ISL turbocharged 400 HP engine 1,200-lb. ft. torque @ 1,400 RPM
Daytime running lights
Engine compression brake
Freightliner® XCR Series chassis (40DRQ, 40SKT)
Freightliner® XCR Series tag axle (42DL, 42RB)
Front axle I-beam wide track
Goodyear® 275/70R 22.5 (40DRQ & 40SKT)
Goodyear® 275/80R 22.5 (42DL & 42RB)
Leather wrapped steering wheel
Neway air suspension
Polished aluminum wheels
Raised rail for maximum storage
Rear axle 20,000-lb.
Rear-mounted radiator with fan clutch
Remote air fill with air hose
Sachs™ shocks
Tag axle 10,000-lb. (42DL, 42RB)

DRIVER COMPARTMENT AMENITIES

3-point, lap and shoulder safety belts integrated into driver and passenger seats
12V auxiliary in-dash receptacle (2)
AC/heater vents by foot pedals
Adjustable foot pedal
Auxiliary start switch
Battery boost switch
Chassis battery disconnect

CUSTOMER FIRST ROADSIDE ASSISTANCE

Travel worry-free in your Aspire motorhome with Entegra Coach's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- 24-hour toll-free emergency message service
- Toll-free nationwide service appointment assistance
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement

WE BACK WHAT WE BUILD

The Entegra Coach Warranty is a manufacturer's limited warranty. It comes from the people who build Entegra Coach products to the people who buy them. Each Entegra Coach is warranted to the original purchaser for twelve (12) months from the original date of purchase (or 12,000 miles of use, whichever comes first) against defects in materials and workmanship. The Entegra Coach Warranty also includes a three (3) year structural guarantee. The Entegra Coach Warranty is not transferable. Our commitment is to provide you with the highest level of products and services possible. We invite you to compare us with other manufacturers – we think you'll find that our passion for your satisfaction is unmatched.

For a copy of the limited warranty with full terms and conditions, ask your local Entegra Coach dealer.

Your Entegra Coach Dealer

See dealer for further information and prices. All information in this brochure is the latest available at the time of publication approval. Entegra Coach reserves the right to make changes and to discontinue models without notice or obligation. Photos in this brochure may show optional equipment or props used for photography purposes. RVs built for sale in Canada may differ to conform to Canadian codes.

A reputation for integrity isn't built overnight. It happens only after years of doing what you say you will do...and by practicing the Golden Rule. Ultimately, it involves doing the right thing, even if it isn't the best for your bottom line.

Over the last forty years, our family has worked hard to establish a reputation of integrity in the RV business. Through ups and downs, successes and failures, these four decades have taught us the importance of doing our best to meet our customers' expectations. And that is why we are excited to introduce the finest line of RVs we have ever built – the motor coaches from Entegra Coach.

As our signature line, we believe it captures everything our family and our company have stood for over the years. From its structural quality and old-world craftsmanship, to unmatched customer service, we have never been more pleased to put our name on an RV than we are with the motor coaches from Entegra Coach. We hope you'll take some time with your local dealer to understand why our family stands so strongly behind *Entegra Coach....Without Compromise.*
