Redefining Luxury

ENTEGRA
COACH®

Raise Your Expectations .

Class-leading luxury for motorcoach owners who know what they want from the company that understands what they deserve. Entegra Coach proudly brings you the Cornerstone. Thoughtfully designed with the superior quality of Amish handcrafted hardwoods, the Cornerstone features solid granite countertops with beveled edges, exquisite international fabrics and high-gloss porcelain tile flooring with four-inch granite inlays. The Cornerstone brings new meaning to luxury and elegance.

Designed for the two of you. Shown here (on the 45RB model) are two porcelain sinks, sprawling solid granite countertops with space for his and her toiletries and heated granite flooring. You can also unwind and relax in the Cornerstone's radius shower with its beautiful handlaid porcelain and granite tile surround.

Cornerstone's bedroom offers a heavenly night's sleep on a King Select Comfort™ air mattress. While you sleep, your clothing is treated to a mirrored and cedar-lined, carpeted wardrobe. Sweet dreams!

LUXURY + INNOVATION + PASSION = CORNERSTONE

Refined. Elegant. Luxurious. This is the Cornerstone. You know the word: "A foundation. Fundamentally important. What life's all about." From entertaining with the ultimate in hospitality to extraordinary traveling in exceptional comfort. Like a sumptuous driver's compartment with a natural distressed leather captain chair and buddy seat with heated electric 8-way power seats and integrated seat belts. Cornerstone is transforming the motorhome experience with distinctive taste, flair and the ultimate in elegant luxury. Let this Entegra Coach be the foundation of your traveling pleasure.

Luxurious details in the granite countertops, porcelain sinks, nickel faucets and Washington Cherry Glazed Maple hardwood.

Multiplex™ coach switching puts the control of living area, porch and security lighting at your fingertips.

While the 40-inch LCD HDTV with home theater surround sound comes standard. Add in the optional electric fireplace, which is perfect for setting the mood on chilly evenings.

If you haven't experienced a Fisher/Paykel® dishwasher drawer, prepare to be spoiled. A giant leap of innovation over traditional dishwashers, the quiet-running dishwasher drawer turns luxury into a necessity.

An example of our design team's attention to detail: Decorative granite inlays in the solid porcelain back-splash above the stunning, yet oh-so-easy to care for, granite countertop.

For the ultimate in power, the Cornerstone is built on a Spartan® K2 tag axle chassis with a Cummins® ISM 500 HP electronic engine featuring an Allison® 4000 MH six-speed World transmission and electronic shifter. For maximum power, upgrade to the Spartan® K3 chassis with the Cummins® ISX 650HP (N/A 45RB).

Exclusive to Entegra Coach products, the X-Bridge™ frames are designed and engineered especially for the Cornerstone chassis, providing superior support and stabilization.

HELLO, GORGEOUS!

From the moment you set eyes on this beauty, you'll know. This is the Class A diesel pusher meant for you. From its smooth hi-gloss gel-coat fiberglass exterior and one-piece molded fiberglass roof and caps to the stunning graphics on the deluxe, full-body paint package that is so meticulously done it takes nearly two weeks to complete.

Choose from White Diamond Pearl (shown here), Black Pearl, Mystic Black, Molten Metal or Golden Splendor. And note the frameless tinted dual-pane safety windows and one-piece wrap-around Ultra-Vision™ windshield. On the road again? Oh yes.

An exterior entertainment center with a 32-inch LCD HDTV, speakers and DVD player – to entertain the kid in all of us.

Two huge carpeted, lighted slide-out cargo trays provide storage space for outdoor furniture, grills, coolers, luggage and sporting gear. Add power for ultimate convenience.

Large round LED exterior running lights and taillights are brighter and easier to see – a safeguard for you and other motorists.

DETAILS MAKE THE CORNERSTONE DIFFERENCE

We use only the highest quality solid hardwoods (shown here in Caramel Glazed Maple), carefully hand hewn by Amish craftsmen. From interior doors to slideout fascia, from cabinetry and drawers to crown molding and sconces, all are fashioned by craftsmen who have an eye for beauty and elegance.

Thoughtful attention to detail is evident throughout the Cornerstone. All windows are outfitted with solid hardwood valances, fine décor-coordinated fabrics (shown here in Champagne) and day/night power roller shades to ensure your privacy.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the unloaded vehicle weight plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

Gross Axle Weight Rating (GAWR): The maximum allowable weight each axle assembly is designed to carry, as measured at the tires, therefore including the weight of the axle assembly itself.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor if you have questions. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek our professional instruction. Entegra Coach affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

We Back What We Build

The Entegra Coach Warranty is a manufacturer's limited warranty. It comes from the people who build Entegra Coach products to the people who buy them. Each Entegra Coach is warranted to the original purchaser for twelve (12) months from the original date of purchase (or 12,000 miles of use, whichever comes first) against defects in materials and workmanship. The Entegra Coach Warranty also includes a three (3) year structural guarantee. The Entegra Coach Warranty is not transferable. Our commitment is to provide you with the highest level of products and services possible. We invite you to compare us with other manufacturers – we think you'll find that our passion for your satisfaction is unmatched.

For a copy of the limited warranty with full terms and conditions, ask your local Entegra Coach dealer.

A reputation for integrity isn't built overnight. It happens only after years of doing what you say you will do... and by practicing the Golden Rule. Ultimately, it involves doing the right thing, even if it isn't the best for your bottom line.

Over the last forty years, our family has worked hard to establish a reputation of integrity in the RV business. Through ups and downs, successes and failures, these four decades have taught us the importance of doing our best to meet our customers' expectations. And that is why we are excited to introduce the finest line of RVs we have ever built – the motor coaches from Entegra Coach.

As our signature line, we believe it captures everything our family and our company have stood for over the years. From its structural quality and old-world craftsmanship, to unmatched customer service, we have never been more pleased to put our name on an RV than we are with the motor coaches from Entegra Coach. We hope you'll take some time with your local dealer to understand why our family stands so strongly behind *Entegra Coach... Without Compromise.*
