# Residential Design

Not only does the LANDMARK bedroom suite offer a relaxing retreat, it also is home to some of the finest residentially inspired storage space ever achieved in a fifth wheel. The dresser at the foot of the bed features tall drawers on full-extension steel ball-bearing glides for maximum function, and is topped by a radius solid-surface counter top. The side linen closet combines with the overhead cabinets and optional flat screen TV to provide this dresser with true functionality. Natural light is provided by both the large window above the dresser and window in the hallway, while the radius wall of the bathroom separates this coach from the rest.

The LANDMARK has always been known for exceptionally large front wardrobes and well-designed bedroom suites and this year's model proudly maintains that tradition. Built-in shoe storage combines with a large overhead shelf and full width clothes rod to maximize the storage space.

### Distinguishing Features

It's the attention to detail and the quality components and construction that make the LANDMARK stand out from the competition as the best value for your investment.

The LANDMARK's cavernous pass-through exterior storage compartment is clutter-free for maximum use of space and features a rugged, diamond-plate vinyl flooring with steel tie-down rings to help secure your cargo. There are electrical and TV hookups for outdoor entertainment, while strong gas struts easily lift up the insulated door and hold it in place.

Choose full body paint for a long lasting elegant look and added protection for your investment.

Enjoy the sleek, modern looks and functionality of LANDMARK's new optional bus style slam doors equipped with heavy duty struts for easy operation and they prevent unexpected closings due to wind. Oversized pull latches open easily. The tight automotive rubber seal protects your belongings from moisture and LANDMARK's compartments are keyed for security using keys and locks unique to LANDMARK.

The electric power cord reel means you'll never have to wind that heavy 50-amp cord up by hand again!

LANDMARK's HANEX™ TRUE RESIDENTIAL SOLID SURFACE Counter Tops increase the usability, beauty and value of our coaches. The advanced blend of natural materials and pure, acrylic polymer is formed over a strong plywood base, providing design versatility and long-term performance to our customers. Hanex™ is one of the toughest counter tops in the world that is both durable and RENEWABLE. RENEWABLE means it is the same consistency through and through and if scratched or chipped, can be easily repaired so that it looks like new!

The competition on the other hand... offers only a thin layer of FIBERglass, adhered to lesser quality particle board material that disintegrates when it gets wet. The FIBERS of these counter tops tend to stick out of the bottom edges and are painful to the touch.

One Touch Four Point Hydraulic Auto Leveling System option. Spend more time relaxing and less time leveling your coach. The Leveling system also retracts in seconds saving time and hassle when its time to break camp.

Preserving our environment is very important to HEARTLAND. We strive to reduce, reuse and recycle in every facet of the corporation. We are reducing paper waste with new electronic processing, our vendor partners reuse packaging and crating for many components and we recycle all aluminum scrap, wood cutoffs, skids, wire, cardboard and plastic containers. Heartland Recreational Vehicles 1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

#### Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

#### BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes handson directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service – in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

#### DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

Your Authorized Heartland Dealer:

# Call Direct, Fast Results! 800# LABEL IN EVERY HEARTLAND

We provide a convenient sticker in each coach listing the warranty phone numbers of our most common vendor partners so that if you choose to, you may work directly with them to more quickly resolve issues or obtain replacement items.

### CUSTOMER SERVICE WE'VE GOT YOUR BACK!

Over 40 men and women located in a dedicated facility servicing our customers every day. With a dealer network of over 400 locations across the U.S. and Canada, you're never far from an authorized Heartland dealer.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartlands commitment to continuous product improvement - floorplans, materials, components, features, specifications, options, etc. are subject to change without notice or obligation to Heartland Recreational Vehicles.

Product information and specifications apply to coaches beginning with serial number 214520

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
