ENJOY THE FREEDOM

Superb interior refinement and irresistible charm have been combined with efficient use of interior space and a host of safety features to ensure that you will be ready to seek out your new journey, no matter where the destination. The Serenity & Libero set a new standard of construction and styling that surpasses all motorhomes on the market today. The fit, finish and quality that customers are accustomed to and recognize LTV as, have been the starting point for the Serenity & Libero.

ALL PHOTOS: 2012 Serenity shown in Cherry Cabinetry and Blue Slate Décor.

Great style meets outstanding functionality. Our designers have carefully considered your needs and made the best use of every available space.

Relax and enjoy a good book on the optional rear power sofa, upholstered in Ultraleather.

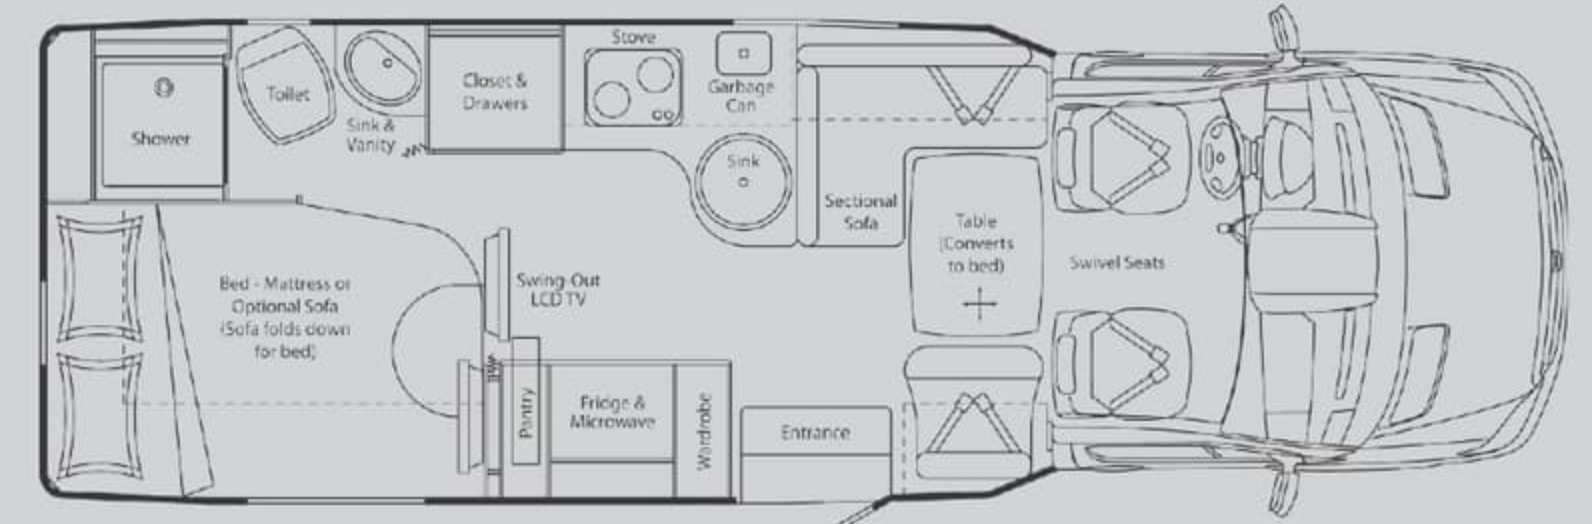

At night, the sofa folds down into a 55" x 82" bed at the touch of a button.

The galley features solid surface Corian countertops and Euro-style flush mount cooktop and sink, all showcased in beautiful curved wood cabinetry.

TWO CHASSIS. ONE FLOORPLAN.

SERENITY [Diesel]

LIBERO [Gasoline]

The Serenity and Libero share the same overall floorplan. The rear of the coach has a separate bedroom area with privacy curtain and a private bathroom with shower. The mid ship galley leaves room for a front seating/dining area that converts to a second bed.

Note: The Libero pictured above is shown with the 2011 entry door location. Please refer to floorplan.
