

Eagle Cap

Truck Campers

1165 Mystic Décor

Beautiful Interiors

Eagle Cap Truck Campers uses only the highest quality fabrics to create pleasing décor that are functional and rugged, yet contemporary and easy to care for. These professional designer chosen fabrics coordinate beautifully with the solid surface counter tops, hardwood cabinet doors and the Richmond Cherry interior. Choose one of these decor groups or optional theater seating to personalize your new camper to suit your own unique sense of style.

Amaretto Décor

Mystic Décor

Silver Leaf Décor

Function and Beauty First. Everything Else Second.

Optional U-Shaped Dinette • Silver Leaf Decor Enjoy the comforts with Eagle Caps large dinettes with room for the entire family or that quiet night in with your loved one. The U-Shaped dinette option is available on all Eagle Cap floorplans giving you the choice of the added comfort, room and elegance to your truck camping experience.

850 Mystic Decor

Galley and Pantry Storage, convenience and beauty all encompass the Eagle Cap 850 galley, from the large pantry with adjustable shelves and plenty of drawer space below makes it hard to believe you are in a eight and half foot truck camper. Notice the elegant solid surface counter tops to the large double bowl sinks making this one of the most comfortable campers to own.

1165 Mystic Decor

Galley Enjoy the comforts from Eagle Cap, you will rave about the open galley area with the solid surface Grani-Coat countertops. You will be pleased with all of the storage built into all Eagle Cap truck campers, just take a look around and compare. Note the optional LCD TV's for your entertainment as elegantly displayed here in this 1165 floorplan.

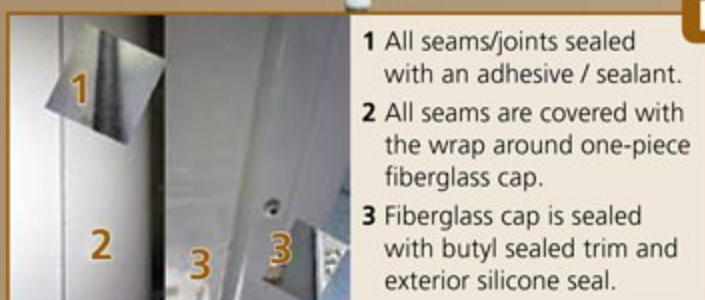

Bedroom • Mystic Decor The elegance, class and beauty shine through in our layout of the Eagle Cap bedrooms, with the large mirrored wardrobe storage, elegant hardwood cabinets as seen here in the 1165. The mirrored wardrobe is standard in the 960, 1160 and 1165 floorplans and available as an option in all other floorplans.

Bathroom With Eagle Cap you can choose a floorplan with a large, roomy dry bath with a separate shower, ample storage like you see here or one of our floorplans with the largest wet bath in the industry, either way you will enjoy all of the comforts of home...

Made to Last. Built to Look Great.

- 1 All seams/joints sealed with an adhesive / sealant.
- 2 All seams are covered with the wrap around one-piece fiberglass cap.
- 3 Fiberglass cap is sealed with butyl sealed trim and exterior silicone seal.

CONSTRUCTION EXCLUSIVES:

A. ULTRA-HYBRID ALUMINUM/FIBERGLASS SUPERSTRUCTURE!

Best of both construction techniques -utilizing Aircraft Quality Welded Aluminum framing plus one piece fiberglass caps!

B. GEL-COAT "FULL FRONT & REAR FIBERGLASS CAPS"!

No other camper is built with these structural components - tougher, stronger, better sealed!

C. EC MAX - MAXIMUM 4-SEASON INSULATION!

Highest R-Values - R-19 in ceiling / R-22 in the floor / R-13 in the wall. Gas filled thermal pane insulated windows, 1" insulated baggage doors, easy access winterization station, full ducted basement heat and a 30,000 BTU furnace are all standard making the Eagle Cap cooler in the summer, warmer in the winter and easier to winterize, providing you the best 4-Season thermal insulation package in the industry!

D. ALL SEASON TRIPLE EXTERIOR SEALING PROCESS!

Three different levels of exterior seals providing the best sealed camper in the industry!

Eagle Cap Truck Campers are Built Like None Other!

With Eagle Cap's Exclusives, like it's Hybrid Aluminum/Fiberglass Superstructure, Full one-piece front and rear caps, All Season Triple Exterior Sealing process to the standard EC-Max insulation package you too will agree that Eagle Cap Truck Campers are built as rugged and beautiful as the mountains for which they are named.

Special Features.

Standard LED Lights Equals Longer Battery Life, More Camping & More Fun!

With the standard exterior & interior LED's in an Eagle Cap you have a camper with the least power draw in the industry!

Water Filter System with separate faucet

Clean filtered drinking water... no longer a worry with the optional water filter system.

Residential Style Digital Dual Thermostat

One Thermostat to control both the A/C & Heat... one control does it all!

Heki Skylight

Day or night, enjoy the view from your roof top or from inside with this popular option.

Power Awnings – 12V Electric Rear Awning

Enjoy the outdoors with Eagle Cap's all new (optional) electric rear awning. With just a touch of a button you can open or close your awning, no more need for two people and with the built-in gas props it handles rainy and windy conditions reducing your typical cause of awning damage.

Roof Rack System (Maggie Rack) With Cross Bars

Take all the toys with you, kayaks and canoes or add any of the major rack manufactures accessories for additional storage, ski's etc.

19" and 24" LCD TV & Stereo

Optional on select models, both components are manufactured by Jensen. Designed specifically for the Marine Industry, these quality components are designed to handle hard bumps, knocks and are reliable even in moist environments. 24" 960/1160/1165 only.

Abundant Storage

Fishing gear, water skis and other bulky items are no problem with the standard basement storage tray on the Eagle Cap 850, or the huge motorhome style cargo bay on the 1160 & 1165.

Solar Panel Generators

With the optional 100 watt solar panel or the 2500 watt Onan Generator you have power for every need, location or emergency.

Fold Down Bunk & Dream Dinette

The optional In-Slide Bunk allows additional sleeping accommodations with plenty of headroom and access to the dinette window for easy ventilation. The effortless fold-down/up feature is easy to use and store when not needed. With standard Dream Dinette (below) no more wrestling with the table to make a bed simply flip a lever push down the table.

Built like none other...

3-YEAR STRUCTURAL WARRANTY
