DRIVEN TO PERFECTION

Galleria
Class B Motorhome

The Galleria Class B Motorhome is the ultimate solution for today's active lifestyles. Enhance your travelling experience with unrivaled fuel economy and advanced safety features. Relax in luxurious captains seats while enjoying the view through large frameless windows. The interior ergonomics ensure you are as comfortable on the road as you are at home. It's easy to see why the Galleria is the most versatile touring vehicle on the road! (Shown in Dove décor.)

The spacious rear living area offers comfortable seating by day and a choice of ergo twin beds or a 69" x 80" sleeping arrangement by night. Perfect for driving to the supermarket, soccer field or cross country.

The galley is designed for your active lifestyle with a Corian countertop, cooktop, convection microwave, flush-mount glass covered sink and a multi-use receptacle.

Galleria combines quality, luxury and value to make your journey as comfortable and convenient as possible. These plush, versatile vehicles are designed with more standard upgraded appointments and the latest amenities for today's smart minded RV'er.

The 245Q offers seating for four and a perfect spot for conversation. The matching Corian countertop and table provide enhanced durability and an upscale appeal to the galley. Enjoy your favorite show or sporting event from the wall-mounted television. (Shown in Graphite décor.)

It's easy to see why Coachmen RV has been the leader to the great outdoors for over 50 years. The Galleria is built on a simple principle... Dedicated to the enrichment of your life.

BUILT TO IMPRESS

The Galleria in-dash entertainment center has it all! This deluxe entertainment package includes AM/FM/C/D/DVD, XM Sirius radio, MP3, Bluetooth, USB/SD slot, Garmin GPS navigation, plus a back-up camera monitor and premium speakers.

When it's time to retire for the day, the sofa or twin beds convert into a large 69" x 80" bed.

Big benefits for new owners – FREE One Year Membership in the Coachmen Owners Association!

Coachmen is proud to sponsor the largest manufacturer sponsored camping club in North America...Coachmen Owners' Association (COA). COA provides you a world of ways to enjoy your RV. This is FUN ON OVERDRIVE and provides: Free Trip Routing, Exciting Tours & Rallies, Free Campground Directory, Local/State Club Activities, Easy RVing Magazine Free, Theme Park Discounts, Fuel Discounts, Free onebigplanet® Memberships with discounts at 180,000 merchants and Much More! Every new Coachmen RV buyer is eligible for a 1 Year FREE membership in the Coachmen Owners' Association. It all adds up to an easy ownership experience!

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) - is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity ratings; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated Average based on standard build optional equipment. **Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
