Z-1  
LITE

The Z1 Lite has been carefully designed and engineered to welcome you to the Cross-roads RV family! With a vast array of floorplans to choose from you'll be sure to find the right fit. The Z1 lite also boasts an abundance of great features typically reserved for higher priced travel trailers. (A large pantry is just one of these that can be seen to the left). Some of these standard features include a DSI water heater, actual doors seperating living and bedroom areas for optimal privacy, as well as diamond plate protection on the front of the trailer.
