Extended Stay • Extended Space • Extended Lifestyle

Welcome to a brand new era in extended-stay living!
If more room is what you desire, Solitude is the most spacious Extended Stay Fifth Wheel ever built! Solitude delivers taller ceilings, deeper cabinets, larger scenic window areas, a full 6' 8" tall slide-out and an exterior width that measures a full 101 inches! You may be looking for an extended stay fifth wheel to live in for months at a time... but you may want to live in this one for the rest of your life!
It’s the fine details that separate luxury from the status quo. We go out of our way to appoint our Solitude with amenities that make you feel safe, secure and pampered... more like home. But this isn’t just a “home away from home” this IS home!
There is nothing like the 379FL’s groundbreaking new Grand Theatre™. Two hide-a-bed sofas transform this spacious living room into the ultimate bunking area!
The hidden dining table drawer—very useful!

Tread Lite Aluminum steps: Ultra lightweight, super sturdy, won’t rust!

Our Rota-Flex pin box is so easy to use!

AM, FM, DVD, Bluetooth & Multiple Speaker Selections!

Stainless steel appliances bring the kitchen to life!

Cooking with class is the name of the game in this kitchen!

18 cu. ft. Gas/Electric Residential-Size Refrigerator! (optional)
Grand Design’s **Solitude** line of Fifth Wheels offer huge countertop space and residential-size pantry storage.
Our new 375RE provides a generous, wide-open space to entertain, converse, relax and rest. The addition of a sliding glass patio door truly opens the space up and provides plenty of warm, natural lighting.
Our Master Suite’s are gorgeous and spacious. They feature roomy closets, mirrored sliding doors and are prepped for a washer and dryer.

The under-bed storage compartment is completely finished inside and contains a jewelry tray plus a base-mounted lock box. The retractable ottoman is the perfect height to sit and comfortably dress.
Super bright LED lights\(^*\) on the slideout help illuminate the storage bay doors and the optional hydraulic leveling system\(^1\). The lights are an excellent safety addition which helps avoid night time head injuries.

\(^*\)Available on most models

The Solitude Storage Bays and Utility Center are well lit and easily to access via our unique split cargo door system. This is the “cleanest” exterior storage bay in the industry.
