

# AIRSTREAM DINER XL

## AIRSTREAM DINER - THE ORIGINAL

The legendary trailers of the Airstream brand enchant with their own unique charm. ROKA is the exclusive distributor in Europe of the official new vehicles that are still produced in the legendary factory in Jackson Center/Ohio. The trailers delivered from there are specifically designed for the European market and already ex works correspond to the customary standards regarding frame and body.

The combination of these American design icons and an uncompromisingly high quality interior result in fantastic snack cars for us. New vehicle warranty, purchase and service from licensed Airstream dealer as well as attractive leasing offers, in addition to the attractive design, ensure necessary business soundness.

## OUR SALES TEAM WILL ADVISE YOU ABOUT THE EXTENSIVE RANGE OF PRODUCTS

ROKA offers you a wide range of equipment options and accessories products for the vehicle described herein. Whether kitchen appliances, automotive engineering or weather protection - the team of experienced sales and service centres can gladly advise you and competently attend to your needs regarding your customised equipment.

### Weather protection

Experience has shown that revenues are lower during the cold season. To intercept this, ROKA offers comprehensive weather protection accessories - from heaters up to enclosures.

### Cooking Equipment

ROKA has decades of know-how in the construction of kitchen appliances. You can benefit from this, since ROKA devices are appealing because of performance and durability.

### Technology

Whether generators, fire extinguishers, car jacks or spare wheels - at ROKA you obtain everything that ensures a safe work day and a reliable vehicle.

### Comfort

Own incentive and an open ear for customer demands have led to the creation of a wide range of accessories, which can make everyday work more comfortable. From the entrance step to the grill cleaner - everything from one source.

## ROKA SALES- & SERVICE CENTER

Mobile hospitality over 3000 m<sup>2</sup> of exhibition space.

At the ROKA Sales and Service Centre in Merenberg, you can test almost all sales vehicles. Frank Burggraf and his team are available to answer questions and assist you individually in the realization of your project.

The ROKA Sales and Service Center is only a ten-minute drive from the A3 (exit Limburg Nord) and A45 (exit Gießen/Wetzlar) away.
