THE ULTIMATE TOURING VEHICLE

The Galleria Class B Motorhome is the ultimate solution for today's active lifestyles. Enhance your travelling experience with unrivaled fuel economy and Mercedes-Benz® advanced safety features. Relax in luxurious captains seats while enjoying the view through large frameless windows. The interior ergonomics ensure you are as comfortable on the road as you are at home. Galleria is the most versatile touring vehicle on the road!

GALLERIA

By **Coachmen**

Galleria's solid maple hardwood cabinetry is hand crafted by skilled Amish wood workers. Each stylish, durable interior features radius, soft-close cabinet doors and drawers with dovetail construction. After years of reliable use, any scratches can be refinished like fine furniture.

A handy pop-up electric/USB outlet tucks away to maximize counter space.

These well lit interiors have lots of windows to let in fresh air, with contemporary pleated shades, plus long-lasting, efficient LED lighting throughout. Gerflor® European plank style commercial grade flooring with residential appeal has a 15 year wear warranty, plus a five year cold-crack warranty.

24D – *This spacious kitchen includes a Corian countertop. Enjoy your favorite show or sports event from the wall-mounted television. (Not available on 24T.) Shown in Chocolate decor with Maple Spice cabinetry*

THE ULTIMATE

The spacious optional rear lounge offers comfortable seating by day and a choice of ergo twin beds or a 69" x 80" sleeping arrangement by night. Perfect for driving to the supermarket, soccer field or cross country.

24D – Optional lounge area shown in Chocolate decor with Maple Spice cabinetry

IN VERSATILITY

WARRANTY

Motorhome

1 year/12,000 miles limited

Mercedes-Benz®

3 years/36,000 miles

Mercedes-Benz® Powertrain

5 years/100,000 miles

Components may be warranted up to two years. Please refer to the owner's manual for more information.

MERCEDES-BENZ® SAFETY FEATURES

Galleria is built on a reliable Mercedes-Benz® 3500 Extended Sprinter Chassis with a 3.0L V6 Blue TEC Turbo Diesel.

Airbags

Dual front airbags, plus driver and passenger side window airbags, reduce the chance of head and facial injuries significantly, in the event of a collision.

Collision Prevention Assist

With Collision Prevention Assist, sensors constantly monitor closing speeds between your vehicle and the vehicles ahead. If the system determines a collision is possible it will warn the driver, and it can calculate and supplement the brake force necessary to slow down the vehicle.

Chassis safety upgrades include a blind spot triangle on the side view mirror

More Safety Features

- ◆ Blind spot assist
- ◆ High beam assist
- ◆ Lane keeping assist
- ◆ Road hazard kit and flashlight
- ◆ First-aid safety kit
- ◆ Bi-xenon headlights
- ◆ Headlight washer system
- ◆ LATCH child seat tethers (Front and mid-chairs)

Middlebury, IN 46540

©2016 Galleria by Coachmen, a Division of Forest River, Inc., a Berkshire Hathaway company. All Rights Reserved. 12/16

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) - is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated Average based on standard build optional equipment. **Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc. reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
