# SOLSTICE

DESIGNED TO AMAZE YOU.

Our flagship fifth wheel sets the standard for stylish luxury at a price that will surprise you. Solstice features 102"-wide exteriors that provide more expansive interior space. You'll also appreciate oversized Pass-Thru baggage doors, a universal docking center and an interior command center with centrally located controls.

A

The kitchen will inspire your culinary adventures with solid surface countertops, an apron-style stainless steel sink and the ultimate convenience of a residential French door refrigerator. It also features an induction stove and a convection microwave, as well as spacious cabinet storage.

B

Style and comfort extend in every direction, with roomy slide-outs, dining areas with large picture windows and plush, luxurious furniture options to fit your lifestyle.

C

The Residential Comfort Package features an impressive electric fireplace on select floorplans, as well as an oversized LED HD TV, DVD with a surround sound system and stereo with Bluetooth.

## TWO-YEAR WARRANTY

At Starcraft we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

FOLLOW US ON:   

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.
