GREATEST VALUE FOR ALL

Chaparral offers three distinct series of 5th wheels catering to most all customer needs, providing a vast range of affordable price points, weights, and lengths. Whether the priority is towing with a 1/2 ton truck, or sleeping a family of ten, Chaparral has nearly every 5th wheel customer need covered.

CHAPARRAL PRODUCT LINE UP

All Chaparral product lines are constructed on the same production line with the same core construction methods and high quality materials. This clear advantage provides consistent reliability, greater R-ratings, and improved towing advantages throughout our entire product range.

- **CHAPARRAL X-LITE**

Features a modern new design inside and out, with the same Weather Shield™ insulation and core composite construction as our Lite and Mid-Profile Series. Now with more bells and whistles than ever before.

- **CHAPARRAL LITE**

Fully featured and offers luxurious three slide floor plans built with a lower profile and weight designed for 1/2 ton and 3/4 ton trucks.

- **CHAPARRAL MID-PROFILE**

Designed with 3/4 ton gas and diesel trucks in mind, combining great towability and lighter weight, with the spaciousness, luxury, and multitude of features typically found in much higher priced fifth wheels.

SHOWN W/ OPTIONAL KING BED

MID-PROFILE BEDROOM*

GREATER VALUE, MORE FEATURES, BETTER TOWING, IMPROVED MATERIALS, HIGHER R-VALUES, MORE STORAGE...
EXPLORE THE DIFFERENCE

DIFFERENT FROM THE START

For over 10 years Chaparral has utilized Azdel® composite panels. Azdel® is impervious to mildew, rot and mold, providing the added benefit of being 50% lighter than wood, while achieving 3x the insulation value of luan panels commonly used by most other manufacturers.

CHAPARRAL COMPOSITE WALL PANEL ADVANTAGES:

- American Made
- 50% Lighter than Luan
- 3X the Insulation Value of Wood (R11 Sidewall)
- Impervious to Mildew, Rot, and Mold
- Virtually Eliminates De-lamination (Void of Moisture)
- Double Welded, Aircraft Grade Aluminum Framed
- 2 lb., Closed Cell Block Foam Insulation (High Density)
- 2-Step HP Lamination Process (Vacuum Bonded)

AZDEL® ROT PROOF PANELS

ALL CHAPARRAL SERIES FEATURE WEATHER SHIELD™ AND HAVE BEEN EXTREME CLIMATE TESTED BY AN INDEPENDENT 3RD PARTY AT 110°F & 0°F
