36DS with Espresso Décor and Early American Cherry Cabinets

# Isata 5 Series Dynamax Style - Bumper to Bumper

Quality craftsmanship and innovative features have long been associated with Dynamax motorhomes. In the driver's seat of the Isata 5, you'll enjoy the confidence that comes with the control, comfort, and stability of the Ram 5500. Meanwhile, everywhere you look you'll see the extra touches – including cut and buffed paint, RV-friendly features, and ambient lighting. So wherever your journeys take you – along the busy highway or up the mountain pass, (or even on the "roads less traveled" with the optional 4x4 chassis), the Isata 5 will provide freedom and comfort like nothing else on the road.

36DS with Espresso Décor and Early American Cherry Cabinets

36DS with Seashore Décor and Early American Cherry Cabinets

The Isata 36DS master bedroom is furnished with a comfortable iCool™ mattress. In addition, USB and 110V outlets on both sides of the bed provide convenient charging for all your devices.

**Multi-Plex wiring** has been incorporated in the automotive industry for many years. This advanced wiring system requires fewer relays, connections, and wires, which reduces potential failure points. Color-coding and a programmable touch screen also makes it easier to troubleshoot if a problem occurs.

## Say, "So Long" to wimpy RV Showers

The patented **Oxygenics Engine** supercharges any water pressure, turning weak flows into satisfying showers. It is effective in reducing wash and rinse times, especially for those with long hair. All while saving water, so your tanks last longer.

- Water is introduced into a **pressure chamber** that works like a mini turbine jet, increasing water velocity.
- Water passes through an **air vacuum** at high speed, infusing oxygen into each drop.
- The pressurized combination of water and oxygen is released through an expanding nozzle, widening spray and greatly increasing water power.

# Isata 5 Standard Features & Options

## Chassis

- Ram® 5500 SLT Chassis
- Cummins® 6.7L I6 Turbo Diesel Engine (325hp/750 ft.-lbs. of Torque)
- AISIN® HD 6-Speed Automatic Transmission
- 52-Gallon Fuel Tank
- 9-Gallon Diesel Exhaust Fluid Tank
- Trailer Hitch (10,000 Tow lbs. ) with 7-Way Round Tow Connection
- Trailer Brake Control
- Cummins® Smart Exhaust Brake System
- Ram® ESC Suspension and Stability Package
- Momentary Battery Booster Switch for Connecting Chassis and House Batteries
- Dual 12V Chassis Batteries
- Dual 220-Amp Alternators (440 Total Amps)
- 4-Wheel ABS
- B-20 Bio Diesel Capability
- Ram® 50KSI Chassis Construction
- Aluminum Running Boards
- Front and Rear Tires: 225/70R19.5G (All Position Front And Rear Traction)
- Single Front Wheels: Aluminum (19.5" x 6.0")  
\*Outside Rims are Polished
- Dual Rear Wheels: Aluminum (19.5" x 6.0")  
\*Outside Rims are Polished
- 4.88 Rear Axle Ratio
- Daytime Running Lights
- Leatherette Reclining Driver and Passenger Seats
- Power Driver Seat
- Backup Camera
- 8.4" Touch Screen Dash Radio with U-Connect®, Hands-Free Voice Command with Bluetooth®, Sirius/XM® Radio-Ready, Media Hub (SD, USB, AUX), and Six (6) Speakers

- Navigation-Capable: with Installation of GPS Module Available from your Local Ram® Dealer
- 12V and USB Accessory Ports
- Temperature/Compass Gauge with Traveler/Mini-Trip Computer
- Cruise Control
- Adjustable Steering Column
- Power and Heated Exterior Mirrors with Courtesy Lamps and Turn Signals
- Power Windows and Locks
- 3-Point Seat Belts
- Front Safety Airbags
- Drink Holders

## Construction

- 2" Aluminum-Framed, Laminated Sidewalls with Block Foam Insulation
- Gel-Coat Fiberglass Walls with Azdel® Backing
- Aluminum-Framed Floor
- Aluminum-Framed Roof Trusses
- Crowned, One-Piece Fiberglass Roof
- Foil-Lined Ductwork Throughout
- Fiberglass Front Cap, Rear Cap, and Front Wing Panels
- Automatic, 4-Point Hydraulic Leveling Jacks
- Dark-Tinted, Frameless Windows
- Seamless, Easy-Clean Rotocast Storage Compartments
- Side-Hinged, Locking Aluminum Exterior Storage Doors with Paddle Latches
- Electric Slide System

## Exterior

- Custom Full Body Paint Package with Diamond Shield® Paint Protection
- Dual-Pitch, Armless Patio Awning with LED Lighting and Motion-Activated Retraction
- Slideout Toppers
- LED Patio Light
- Entry Door with Rotary Latch; Dark-Tinted, Frameless Window; and Shade
- Keyless Entry Touch Pad at Coach Door
- Lighted Acrylic Entry Grab Handle
- Power Entry Steps
- Exterior Wall-Mounted Entertainment Center with 32" LED TV, AM/FM/CD/DVD Module, and Two (2) Speakers
- Front and Rear LED Clearance and Marker Lighting
- Rear LED Docking Lights

## CUSTOMER SATISFACTION

[www.ForestRiverBuyLocal.com](http://www.ForestRiverBuyLocal.com)

Your Authorized Isata 5 Dealer

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GCWR (Gross Combined Weight Rating)** - Is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*Estimated Average based on standard build optional equipment.

\*\*Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
