RAPTOR

LUXURY ADVENTURE THAT KNOWS NO LIMITS

AVAILABLE IN THREE DIFFERENT PAINT OPTIONS

BUILT FOR THE LONG HAUL

INNOVATION THAT STARTS
WITH A SOLID FOUNDATION

WWW.KEYSTONERV.COM

Keystone RV Company

THE ONLY TOWABLE MANUFACTURER TO INCORPORATE COLOR-CODED AND NUMBERED ELECTRICAL WIRING ON ALL PRODUCTS

- Creates a clean, well organized wiring layout
- Makes it easy to trace electrical circuits and saves troubleshooting time

TUF-LOK THERMOELASTIC COUPLERS FORM A PERMANENT, CRUSH-RESISTANT SEAL IN YOUR AIR-CONDITIONING DUCT

- A. Securely joins ductwork and air-conditioning units, crush-resistant design won't pull apart due to rough roads, heat and stress
- B. Drastically reduces chilled-air leaks to boost cooling efficiency and comfort
- C. Circular racetrack style ducting improves performance over competitors that use "figure 8" style that causes additional resistance and turbulence.

RAPTOR CAPS ARE PAINTED AND CLEAR-COATED IN OUR IN-HOUSE STATE OF THE ART PAINT FACILITY

- Backed by 3-year fade and chalk limited warranty
- With optional High Definition Paint, KeyGuard chip and rock protection is applied to the lower front area

TRU-FIT FIVE-POINT SLIDE ROOM CONSTRUCTION BACKED BY THE INDUSTRY'S-BEST 3-YEAR LIMITED STRUCTURAL WARRANTY

- Rain channels direct rain away from the slide openings
- Exterior bulb-seals in a locking track stay secure through extreme heat and cold
- Composite slide-room "glide" bar enables the room to move with no binding
- Reinforced roof, walls and floor
- Beefed-up aluminum header above slide room for greater strength

RESIDENTIAL IN-FLOOR HEAT-DUCT SYSTEM JUST LIKE IN YOUR HOME

- In-floor, hot air vents spaced for greatest comfort
- Distributes heat evenly and warms the floor

**Keystone RV
Company**

ICONIC COMPANY

When Cole Davis founded Keystone RV in 1996 his vision was clear: Build a quality RV loaded with features priced thousands less than other RVs on the market. To accomplish his goal, Cole built a strong team, focused on keeping overhead low, and empowered employees closest to the customer to make decisions. Within a few short months after opening the doors, Keystone produced its very first camper. Delivering big on quality, features and value, the public fell in love and a star was born.

As customers appetite skyrocketed, new Keystone models were added to satisfy growing customer demand. Along with this tremendous growth came the need for expanded production. To meet this need, more manufacturing plants were built and staffed. By the beginning of 2000, Keystone was leading the industry in fifth wheel and trailer sales. Today, Keystone RV Company has grown to encompass over 1 million square feet of manufacturing space with facilities in Goshen, Indiana and Pendleton, Oregon. While Keystone is no longer the small "start up" we once were, our mission has remained true to Cole's vision—"Do the job right and make sure we deliver a quality product every time."

✓ ***MOST RELIABLE PRODUCTS IN THE INDUSTRY***

✓ ***QUALITY, PROCESS DRIVEN MANUFACTURING***

✓ ***CONSUMER FOCUSED PRODUCTS AND SERVICE***

✓ ***MOST "DEALER SATISFACTION INDEX" AWARDED RECIPIENT***

WIRED FOR SOLAR™

FREEDOM

Freedom to explore remote, off-grid locations

SAVINGS

Save on campground hook-up fees and extend battery life

ZERO FUEL

No generator required to run DC loads

Get off the grid. This RV is Wired for Solar™

Solar panel installation on this RV is fast and easy with your pre-installed Wired for Solar™ package!

QUICK CONNECT SETUP Cable entry plate is designed for use with Go Power!® solar kits

Go Power!® Solar Kits are virtually maintenance-free and completely automated to keep your batteries charged.

Relax. You're iN-Command™

Control • Systems Monitoring • Safety

- Never lose your controller
- Multiple Users
- When you have your phone, you're iN-Command

FINALLY A SYSTEM YOU CAN TRUST.

Monitor and Control Functions

The iN-Command™ system gives you total control over your Keystone RV's functions and features like never before.

- A Turn on and off the water pump and water heater. This system enables you to select between electric or propane fuel sources, or both.
- B Turn on and off exterior lights.
- C Turn on and off awning lights.
- D Turn on and off interior lights.
- E Turn on and off security lights.
- F Control customized lighting zones such as main, dinette, mood, and night lights; even "all on, all off".
- G Extend and retract slide rooms.
- H Extend and retract patio awnings.
- I Monitor status of your fresh, gray and black water holding tanks.
- J Check your battery status.
- K Prime, start, and stop the on board generator with the tap of an icon. iN-Command not only lets you control your generator, but also keeps you informed of its running status by showing you the fuel tank level, voltage, running hours, and any diagnostic issues such as low oil, over crank, and service warnings. These advanced generator diagnostic features are an industry-first and can only be found using the iN-Command systems.
- L Monitor the auxiliary and generator fuel tank levels.
- M Rename your slide-rooms and lighting groups to any name you choose to make it easy to remember.

iN-Command™ by JENSEN® embraces the next generation of controls for your Keystone RV by acting as the central hub of operations and puts you at the helm using your preferred smart device. But how does this all-encompassing system work? What, exactly, does it monitor and control? Let's take a closer look at iN-Command piece by piece.

The Display Commander is your primary point of contact with iN-Command. All of the switches and monitoring panels that have cluttered up interior walls in the past are integrated into this one sleek, touch screen monitor. What really makes the Display Commander stand out, however, is that it can be controlled remotely with a smart device using the free JENSEN iN-Command mobile app. This app performs all of the same functions as the Display Commander, but from the convenience of your mobile device.

iN-Command™
CONTROL SYSTEMS

BY JENSEN

Download and install the Free iN-Command™ App from Google Play or Apple App Store for the ultimate in control.

PURCHASING YOUR RV LOCALLY

It's up to you where you purchase your new Raptor, but may we suggest your local dealer? Not only does it help your local economy and provide jobs, but it will also give you an opportunity to develop a service relationship with someone that will come to know you and your coach. Congratulations on finding the best built, best equipped and best value in the industry.

YOUR LOCAL DEALER IS:

WWW.KEYSTONERV.COM/RAPTOR
RAPTOR

Go RVing.

DISCLAIMER: Product information is as accurate as possible as of the date of publication of this brochure. All features, floor plans, and specifications in this brochure are subject to change without notice. Please also consult Keystone's web site at www.keystonerv.com for more current product information and specifications. Tow Vehicle Disclaimer. CAUTION: Owners of Keystone recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Keystone products. Keystone disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. KEYSTONE'S LIMITED WARRANTY DOES NOT COVER DAMAGE TO THE RECREATIONAL VEHICLE OR THE TOW VEHICLE AS A RESULT OF THE SELECTION, OPERATION, USE OR MISUSE OF THE TOW VEHICLE. *REFERENCE KEYSTONE RV COMPANY OWNERS MANUAL FOR LIMITED WARRANTY DETAILS. *Length is defined as the distance from the centerline of hitch pin/coupler to rear bumper of trailer.
