LEGENDARY RENEGADE BUILD AND QUALITY

DESIGNED FOR ^{your} TOYS

PREMIUM ALUMINUM TRAILERS

For over two decades Renegade RV has been the benchmark in designing, engineering, and building the highest quality, most durable, feature packed all aluminum trailers in the industry. Whether you're a professional race team, highly specialized individual or group, auto enthusiast, or weekend warrior, our customers trust and value the Renegade brand and what it stands for. And with the recent launch of our newest models specifically designed to complement the growing Class A Motorhome and Luxury Bus Conversion markets, Renegade RV has more solutions than ever! We didn't set out and strive to be different from the rest, but it's in our DNA. Our focus and purpose are simple—build the absolute best product that will meet our customers' specific demands and exceed their previous expectations.

Backed by an industry leading transferable warranty (1-year full coach and 5-year limited structure), we don't just build a product for life, it's built for your life!

RENEGADE CUSTOM TRAILERS

Renegade Custom Trailers offer the ultimate solution for transporting your special vehicle or cycle in combination with a luxury motor home. Every Renegade Custom Trailer is custom tailored to each customer's needs and desires. Our philosophy is that quality is much more important than quantity.

Renegade Custom Trailers are built using only the finest quality materials and with the utmost craftsmanship and attention to details. We can build you the finest high quality Coach Trailer available today. Custom paint to match your current Motor Coach and a wide array of trailer configurations are available.

We are proud to offer a wide variety of options and amenities to make your trailer custom tailored to your operation!

Due to continued product improvement and changes in suppliers, design, and production; equipment, colors, material specifications, prices and model availability are subject to change without notice. Some photography may show optional items. Kibbi manufactures motorhomes and trailers of varying sizes which may or may not be legal in all states; it is the responsibility of the owner to determine the legal lengths in the state of operation.
