

STARCRAFT

SOLSTICE

POWER TRIP.

CAMPING | *pure and simple.*

CHASE ADVENTURE. CHERISH THE JOURNEY.

We are seekers and boundary pushers, and this is our time. Time to chart our own course. To leave with nothing but our gear and a free spirit, and to discover everything along the way. Starcraft RV has been satisfying adventure seekers for over 50 years. Our heritage is deeply rooted in family values, exceptional craftsmanship and leading edge innovation. Like you, we look forward to seeing where our next journey takes us.

Create your next experience of a lifetime in a Starcraft RV.

QUALITY YOU CAN
COUNT ON SINCE 1903.

Go the distance with our 3-Year Limited Structural Warranty plus a 1-Year Limited Manufacturer's Warranty—freedom from worry is your best travel companion.

Shield your investment with our Magnum Roof System™. Testing revealed our advanced design to be 50 percent stronger than the competition.

Welcome the weather with Climate Package. Extend your camping season with Climate Package, featuring a heated insulated underbelly plus additional roof and slideout insulation.

Enjoy longer life with TuffShell™. Tackle the toughest conditions head on with our exclusive TuffShell vacuum-bonded laminate, reinforced with heavy-duty fiberglass and welded aluminum frames.

eco advantage™

Protect the environment with Starcraft EcoAdvantage™. Obtain peace of mind with our longstanding commitment to protecting the environment.

LOCAL DEALER INFO

STARCRAFT

536 Michigan Street | Topeka, IN 46571 USA | (800) 945-4787 | starcraftcamping.com

Unloaded Vehicle Weight (UVW). Sometimes referred to as "Dry Weight." UVW means the typical weight of this trailer as built at the factory. The UVW is used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. Hitch Weight (HW) The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.
