A home needs a strong foundation and that's especially true for the home that rolls down the road. We partnered with industry leaders, Freightliner® Custom Chassis and MORryde® International, to bring you this innovative building design. The Atlas Foundation™ is the premier building platform and substructure in the industry.

3TRAX™ is our in-wall slideout system, housing all the moving and mechanical parts within the sidewall of the motorhome. This triple track design supports large rooms, like those found in full-wall slideouts, ensuring simple, reliable, maintenance-free operation. What sets 3TRAX™ apart is the patented rail system, in-floor roller guides and electric motor design. For more information, visit thormotorcoach.com/3TRAX.
