OUR PEOPLE MAKE *the* DIFFERENCE

*Newmar was founded in 1968 for one simple reason:
to build a better RV.*

*Since then, we've focused our efforts and energy on creating
residential-quality "homes on wheels," complete with
handmade cabinetry and designer décors.*

*And every Newmar is handcrafted one at a time by men and
women who have spent an average of eight years assembling
them, resulting in superior-quality coaches that fully surpass
their mass-produced competition.*

*Here, we don't just take the responsibility of designing,
engineering, and constructing your motorhome seriously, we
take it personally. Because in the end, our goal is not to win
your trust, but earn it. Not once, but every single time you
hit the road.*

Join us, and discover the Newmar difference for yourself.
