

# MINNIE DROP

## TRAVEL TRAILER

CLASSIC SHAPE. CONTEMPORARY COMFORT

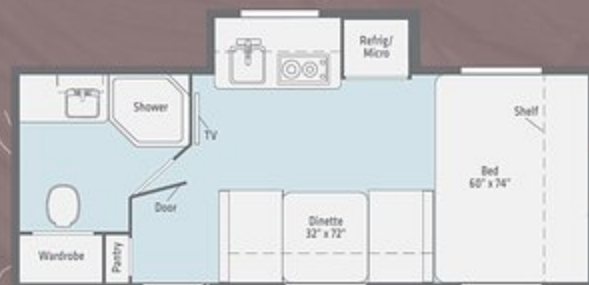

Dropping it all to get away from it all has never been easier. Minnie Drop is engineered in the same retro aerodynamic shape you know and love, yet packed with all the modern features that make every journey as great as its destination.

- **Easy Towing** Minnie Drop is ready when you are, with a 6'5" width and 8" tire stance for nimble, simple towing.
- **Shower Solution** Because there's no need to track the great outdoors inside, scrub off the dirt from your latest adventure in Minnie Drop's external shower.
- **Fresh On Command Go farther** - even when you're far from a water source - with a capacity of more than 40 gallons of fresh water.
- **Road-Ready Kitchen** Small but mighty: Minnie Drop boasts a full-sized kitchen including a convection microwave, two-burner cooktop and gas/electric refrigerator.
- **Vintage Modern** Modern function meets vintage fun in Minnie Drops' aerodynamic shape and retro-inspired exterior style.
