A detailed floor plan of a 10' x 10' RV. The layout includes a front entrance with a small step, leading into a living area with a Jack Knife Sofa (74") and a LED TV on a swivel. A fixed cabinet with two drawers is located near the sofa. The kitchen area features a microwave, a refrigerator, a sink with a drain, and a storage cabinet. A bathroom with a toilet and a shower (40" x 60") is situated in the center. The sleeping area at the rear contains a King Bed (72" x 80") with a dresser and a wardrobe with sliding mirror doors. A second wardrobe with hanging space is located near the entrance. The plan also shows a buffet area with a chair and a table, and a hide-a-bed sofa (74") that can convert into a bed. The overall design is efficient, utilizing the space to provide a full suite of amenities in a compact footprint.

The content in our literature depicts and describes products that are subject to change. For the most recent images and information, please visit [NewmarCorp.com](https://www.newmarcorp.com).

Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

**GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

**UVW:** Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

**NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

**Specifications supplied by the chassis manufacturer.**

**Dutch Star R-Values:**

Roof R-Value = 19

Sidewall R-Value = 11

Floor R-Value = 16

Basement R-Value = 4

QUALITY YOU CAN FEEL

Like a fine home, the 2023 Dutch Star is framed 16 inches on center, and is covered by a fiberglass roof with an integrated gutter rail.

# THE NEWMAR CUSTOMER EXPERIENCE

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

## QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

## CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

## EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

## FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

## SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

## ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.

# OUR PARTNERS

Newmar Quality Begins with the Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

We create chemistry

## BASF

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

## INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

Driven By You

## FREIGHTLINER CUSTOM CHASSIS

Freightliner® Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling, and developing high-performance innovations such as DRIVETECH. It's the only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

## RIVERPARK

At RiverPark, we proudly represent the leading brands in consumer electronics—brands you know and trust to provide exceptional quality and innovative technology. Newmar features Samsung's incredible 4K TVs, Xite Infotainment systems featuring Nav-N-Go Navigation, Bose® soundbars, and JBL and Infinity premium audio. Step into a 2023 Newmar and experience dazzling audio and video performance throughout the coach.

## SPARTAN MOTORS

Spartan® Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.
