

MEET THE **ROAM**

Independent mobility with the privacy, convenience and comforts of home, in a compact, easy-driving package that's ideal for use around town or for longer journeys.

WINNEBAGO

Built on the proven Ram chassis

The foundation of the Roam™ is the Ram® chassis, a proven package that delivers ample power, fuel-efficiency and agile handling, and incorporates a full suite of safety features, including blind-spot monitoring, rear camera and cross-wind assist.

Remote-controlled wheelchair lift for easy access

The Braun UVL wheelchair lift with wireless remote and 750-lb. capacity, provides easy access into and out of the Roam, while integrated tie-downs secure the wheelchair and allow you to use it as another seat while you travel.

A private bathroom everywhere you go

The Roam bath features an integrated shower and a cassette-style toilet, and eliminates the inconvenience and stress of trying to find a clean, accessible restroom while away from home.

A comfortable place to rest or sleep

At the push of a button, the Roam's powered sofa/bed converts into a comfortable sleeping space for overnight camping — or for taking a rest between the day's activities. Bring the whole family with an optional, easy-to-use pop-top, which comfortably sleeps two.

Smarter storage solutions

Cabinets and storage compartments are designed to provide easy access while seated.

Convenient galley for meals on the go

Designed with accessibility in mind, the galley includes a refrigerator, microwave and sink, plus an outlet for an induction cooktop, making it easy to bring along and prepare your favorite foods practically anywhere.
