THE SOUL OF RVING

Welcome to the
Soul of RVing.

Our History

You may remember Dutchmen's original slogan, "If it ain't Dutch, it ain't much." Dutchmen RV has a meaningful longevity, having celebrated its 35th anniversary with the release of model year 2023. Dutchmen was founded with innovative floorplans, bringing more standard features for less money to the market. This tradition has continued throughout our history, as we continue to deliver award winning floorplans with trailblazing value.

Key Values

Legendary Innovation, Trailblazing Value

Dutchmen was founded on innovative floorplans, bringing more standard features for less money to the market. We continue to deliver on this over 35 years later, delivering legendary innovation for trailblazing value.

The Soul of RVing

RVing is who we are. RVing is about feeling boundless excitement as you reach your next destination. Whether you're boondocking off-the-grid or hooked up at a campsite, each new day unfolds and limitless adventure awaits. RVing is about immersing yourself in laughter and storytelling with family and friends around the campfire. Making memories you won't soon forget. This is Dutchmen. This is the soul of RVing.

The Dutchmen Connection

No matter which Dutchmen RV you choose or where you park it, at Dutchmen you're family. Connect with other RVers in the Dutchmen community. Sharing adventures is a great way to get inspired and get on the road. Gather 'round our social media campfires so we can share some stories with you! When you see another Dutchmen on the road or at the campsite, you know your fellow travelers share the soul of RVing with you.

More standard features. More value. This is the Soul of RVing.

Everything we put into our RVs is designed not only to help you hit the road in comfort and style, but to also help you make memories with family, friends, and fellow travelers along the way. We don't just build and sell RVs—we have the industry's best RV warranty, 100% pre-delivery inspection, and are the leader in parts and service. While other manufacturers offer features as options, we prefer to make those same features standard. We've built a reputation for bringing RV owners more standard features for less money for more than 35 years, and it's a reputation we plan to keep.

100% Pre-Delivery Inspection

At Dutchmen, quality is standard. Every single RV that comes off the line receives its own pre-delivery inspection—a thorough 253-point check to ensure accurate measurements, as well as fully-functional electronics and components.

The Industry's Best RV Warranty

Our industry-best 3 Year Warranty means you don't have to wrangle over the details. We deliver value by clearly outlining the major components we back for the first three years.

The Leader In Parts & Service

Replacement parts. Routine checkups. Expert advice. We've got it all covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road—and stay there longer than ever before.
