

ADVENTURE UNLEASHED

DYNAMAX
ISATA 5 EXTREME

LiquidSpring® takes the Dynamax Isata 5 to the extreme. Our Smart Suspension is built for drivers who demand more — delivering a smoother ride, sharper handling, and rock-solid control even on challenging roads. Say goodbye to white-knuckle driving and hello to a confident, adventure-ready motorhome that's as bold as you are.

- **Tru-Earth Leveling®** – Park, hit a button, and your RV levels itself — no jacks needed.
- **Smoother handling** – Reduces bounce and sway for a stable ride.
- **Less driver fatigue** – Comfort that makes long hauls easier on you and passengers.
- **Safer towing** – Better control when braking, cornering, and handling crosswinds.
- **Mission Critical** – Trusted in ambulances where safety and comfort are non-negotiable.
- **Proven Performance** – a proven history in mobility, commercial fleets, and Pickups.

SHORT CUTS

Quality of inputs + mastery of process
= constant improvement.

"There's got to be a better way."

That's the kind of thinking that drives us at LiquidSpring. We're problem-solvers at heart and engineers by trade. With a rich history of innovation and invention, we've developed a smart suspension system that enables you to go farther, to get there safely, and to complete the journey when it matters most.
